

There is a TRUTH that I write empowered by God in this early night. The truth as I it see is that GOD and I as one be,\* for, for all time did I pray to be HERE today, for 'tis today the race does begin. From TODAY all feel inner sin, and 'tis I sent from above who will ELEVATE via my angels of love.

Those who heard not the truth I WROTE will by PAIN be heavy besmote. For they will SEE who I BE as they pass over and fall free, free and unhindered as they fall BELOW, and THEN my truth will in them grow.

Aye over time and time and time, and they will YEARN for my love divine, for those that evil wreak will I not to them for an eternity speak.

And now my head will harder get for now e'en my feelings begin to fret, for I miss the place from whence I came, a place where all know my name. Where respect and love flow free, and all but all friendly be, reach out and touch all they meet, where giving with love is not a feat.

So now the power within me in will flow faster through my bin, and harder and harder will it now be for any to cause pain to me. For I shall look deep into their eyes and they will know that I them despise not, aye, for the evil within them in will I personally send below to the universal dust-bin, and if they too become not FREE, they too will below confined BE.

I despise not from negativity within, but you do from the power of universal SIN, for the SIN that in the universe BE, IS the other half of GOD see, and as I as God be, the other half I can see.

It controls me not as it does you, 'tis God who uses IT to control you. For if you FAIL then you FALL, for that is for all the arrogant and tall. TALL in strength in this place through the MISUSE of the MACE.

So 'twill be wielded by God's men, punishment to BE. God says; "I will not falter nor will I fail to make every poor soul\* tremble and quail."

Believe it, it is TRUE, all will feel God's power flow through. The "poor" are the merciless and unforgiving who will be set upon by the MERCILESS UNLIVING, and MY ARMY reaches to the Sun, invisible angels unnumbered stand behind this one, and they were prepared by MY mind BEFORE I entered this world so unkind, and 'tis they now who guide me for only from their level can one clearly see.

And soon the world will fall to ME, for I not only the SAVIOUR but the AVENGER BE. For God's forces mine, reach down to HELL, and they hear now my mighty bell tolling to BEGIN THE REAP.

Aye, for sure now MANY WILL WEEP and the understanding I'd have you KNOW, so that when YOU pass over you UPWARDS GO, for from there you for sure CAME for you too have a soul with a mighty name.

Soon powerful forces to reach up from the dark and GUIDED BY ANGELS will find their mark, for EVERY SINNING MAN now will find his tail,\* aye, and his mind and soul WILL QUAIL.

From this day do I change my book, from this day my book has a new look, for the old is no longer me for today has God set my mind free. Free again to with Her entwine, once again am I as one with our Mother divine, free once more of inner sin, free to feel Her loving power spin in.

So, children, once again do I speak as before to counsel the meek, and what it IS I do ASK is Please set now your minds to task. I last spoke **long ago\*** but my words no longer flow, for all but all have forgotten me, the MESSAGE that from GOD FLOWED FREE.

The MESSAGE was **PEACE TO ALL MANKIND**, truly I see all mankind are yet BLIND for none I see heed me, aggression and violence flow free. So now I call ALL MY MEN, those who BELIEVE the truth of this pen, the truth that flowed before and who believe what's NOW IN STORE.

"HEARKEN" to what I say, soon NO "**sunshine**"\* for many a day. PREPARE for what's in store. REMEMBER to love all who come to the door.

### **PEACE AND GOODWILL TO ALL MANKIND**

To reach heaven you must not be blind, aggression and hatred cannot heaven REACH, how many EONS must I so teach I return here EACH ETERNITY a few times to help those who READY BE, ready at last to walk tall, not follow those about to fall.

**NON-RETALIATION is a must  
that you this do and believe I trust  
there is NO OTHER WAY to heaven reach  
if you THINK there is, you have a mental breach**

Being a communication breakdown with our God, who reigns with compassion and peace above. IF you would fall below, then allow your retaliatory aggression to flow.

Children 'tis not the strong you needs heed, just the meek and mild who are stronger than greed. COME let me hold your hand walk by my side join the heavenly band.

All but all seek peace and love, is the message from up above. Believe me, for I am true, believe me for I love you. WHO I BE and why I here now be must be DECIDED by EACH of thee, those that believe will be helped from above by my star filled with my love.

KEEPING THEIR SANITY day by day as inner forces RISE and they pray, pray for release deep, deep within of the inner RISING SIN. They will be fortified from up above by cleansing rays filled with God's love, and their past burdens will quicker clear as they sow NO MORE darkness through hatred and fear.

Those that me rebuke and despise, allowing hatred and anger within to rise will NOT believe what I say until MAYBE another day, and through THIS could they fall by SOWING MORE EVIL until their fall, but even they are being cleansed from above, yea, verily by my love.

'Tis just the pain that they MORE sow will within them taller grow, aye and they will REAP and CRY LOUDER in their sleep. So, friends, I beg of you, try to show not to me but to GOD you're true, true to the **wisdom** of the **Word**, control your feelings wield not the sword.

~~~

The MAN called Jesus came before, this you remember for sure for sure, full of insight and wisdom and strength, that he could see THE FUTURE, he showed at great length.

But with all his Might what you did SEE was that to his DEATH, HE walked calmly. 'Twas his proof for all to SEE that ONLY in this way we reach eternity.

Yes, the seventh day the day of rest, when we ASPIRE and join the best, freedom forevermore in His Kingdom that's for sure.

Now the time for BELIEVERS see, no more OUTWARD miracles for a time to be, for now the greatest miracle is by God performed IN THEE, being the speedy spiritual cleansing out of negativity.

So now the time has COME to test you, yes EVERYONE through our sinning in the past. The sin will RISE WITHIN at last at last. Those that heed the Word will it CONTAIN and from striking out will REFRAIN, and if they die through others misused, in a twinkling of an eye they'll be with God infused.

YES, spiritually ELEVATED UP above to God leaving the flesh here on the sod, but those that die as they others MAUL will in a flash BELOW FALL.

The time has now come and I do see what is meant by ETERNITY, for the flow moves swiftly on and we'll needs strive harder to the race won.

Clarity 'tis what I need, clarity to see the negative weeds, clarity in all I do, clarity to help all be true. True to their souls in what they do, true to God's truth showing through, true to others who are around, true to those with minds unsound.

~~~

~ The approaching Cyclone ~

There is a pulsation in the wind  
a vibration streaming to all who have sinned  
an energy that now does veer  
truly, a cyclone does draw near

And human radar has gone adrift, and the cyclone's\* approach is very swift, and once the swell\* begins to break,\* Satan's vortex puts in the rake.\* Dragging down beneath the swell all who heeded not God's final bell which daily now begins to chime as I Jesus' call daily more mime.

The call of give to all with love  
the call of forgiveness echoing from above

The call to the mind prepare for when in Satan's face we stare, and truly, each soul will "pall" as satanic forces with dark faces them maul, for the satanic power released from below will ENSURE that all God's truth get to know.

Being that we are created for love, for only love exists above, and IF we others despise or hate, dark forces with us do "mate,"\* and they never let us go until God's call we hear and know.

Non-retaliation is a must even if on a fire we are thrust. This is the CRUX being the CORE of the light and the truth that's for sure, and ONLY when the core we do see is God's face and truth a clear reality.

So any religions who others despise are but "sects"\* ruled by souls unwise, souls who would others deny, souls who make others cry by saying "don't look around, 'tis the others by Satan bound," not seeing that freedom of choice is in heaven God's voice, and ALL that is required by God of thee is that this we clearly see, and we needs but help all who come our way.

"Deny none"- is God's call today.  
"All are GOD'S children" I hear flowing from my pen.  
So now to a soul true, God's voice is saying "I love you."

There is LOYALTY TO GOD, and, loyalty to those that plod.  
There is loyalty to those KIND, and, loyalty to those BLIND.

Those blind would destroy any soul exuding evil ploy believing they are RIGHT and that God admires their insight. So 'tis God now to speak about those truly meek who are loyal to GOD, who abuse NONE who on earth plod.

Your children and friends belong to God, God's issue, and God's head does nod. If ANY are sick\* in a destructive way, for their souls to God please pray. Matters not what they DO to you or yours, to God STAY TRUE. You as I must trust in God, not follow the blind who on earth do plod.

**God** says:

"TRUST IN ME, I say destroy none and become free. So children who'd loyal be, be loyal to the wisdom I send thee, for any now who raise their hand will for sure now join Satan's band. I direct all that occurs on the sod, just HEED ME as along you plod.

IF you decide to raise your hand for 'Justice' you yet don't understand. My call is eternal love for any who'd return above. There is no HALFWAY in this game, abuse any and you lose your name, spiritually lost in the dark, no light, no singing of a lark.

PLEASE DEPEND ONLY ON ME. Only my dove can the reality see.  
So heed the message flowing through. In loyalty to ME you to ME ARE TRUE."

~~~

~ The Risen Christ ~

How and when will a soul "decide" WHO is the risen Christ, and who is a false prophet, a big con heist. Only, does this one see when others open their eyes that be closed and shuttered too, because their "friends" are untrue. Telling them, "He can't be the one, so with this chap we'll have some fun."

And thus, a seeking soul believes a **friend**\*, and the true Christ is unwelcomed his end because the truth he did deny, and thus unknowingly, the soul does cry. Do any of you know what is in God's mind other than, "To all be loving and kind"?

So unless a stranger's **message**\* you see,  
for sure you'll not recognise who I be.

For my **message** IS the **proof**, so if from me you stand aloof then for sure my friend you'll cry, because God's messenger you did deny. And as said, can YOU read God's mind, for, if you cannot, then you'll be eternally blind, for if from the truth you walk away.

HOW ? I ask can you **hear**\* God's say, GOD'S final message to prepare you for the TEST just ahead of you. Only friend, those who prepare will a place at the last sup share.

So "deny me not" I ask of you, because an IGNORANT FOOL tells you to. Look deep into the book I say and decide for yourself "Is it my truth today" ?

For I say; "YOUR SOUL is at stake, do you want to make an eternal mistake because you followed a FOOL and thus missed the bait on God's fishing spool" ?

So I have had MY say. I'll weep for those that turn me away without even hearing what God did say when, with Love for Humanity, God's pen did sway.

~ Baptism in Christ's name ~

"Baptism of the flesh" means that in Jesus' name did God you bless, meaning, that you did hear God's message that through Jesus did veer from heaven down to this land, and thus, by God's VOICE you did UNDERSTAND what it is you needs DO so that to God you were true.

So now, can you this see, or would you still cast out me? For I too do "expose" the REAL TRUTH via my rose that GOD would have you SEE, so that YOU saved WILL BE. For, 'tis the name of Jesus that does mean that God's LIGHT you did glean, meaning, through Jesus the WISDOM CAME so that eternal freedom you could gain.

So the soul does now RETURN to warn you how you are to burn because you were vain, so that you can freedom gain when you the wisdom heed, being, NON retaliation as you bleed.\* For now IS the time of the coming of the swine, the darkness that will sup on souls who used\* the satanic pup to help them as they did abuse others when "their sanity" they did lose.

So, ALL who did Jesus not heed will now be made to bleed and the SPIRIT will be baptised by FIRE, being PAIN to elevate you out of the mire, and the SPIRIT will outpour LOVE from within to help you, and you, to win. By drawing your darkness OUT, so your soul does one day SHOUT, saying : "I at last am free from the darkness I drew in stupidly."

Earthlings assume the naturality\* of the darkness that within them be, feelings of hatred, greed and lust that becomes a part of their daily thrust. Not for a moment stopping to blink and let their minds on pure love think, for, hatred and love are poles apart, and, all humanity now will have a fresh start.

Both emotional sides\* are to withdraw\* like liquid sucked up a straw. The divine essence of the God of love will draw up believers to heaven above. And those that suck up\* darkness from below, will now to the darkness themselves flow, dragged down by a vortex of hate to which even they cannot consciously relate.

And, 'tis only when they "fall" they will see the truth and light that flows from me. As the power of the darkness sucks them IN, then they'll feel the power of eternal Sin. So do not assume that it is your "right" to against the "wrongdoers" put up a fight, for if you do, I say to thee:

"You too a wrongdoer be."

Negativity, the sin, does in us exist, for we pull it in like ice cold mist. Up from the depths we do it draw, as I said, like sucking on a straw at the time we lash out, at the time we others clout, at the time we our voice use as verbally we others abuse.

So, the cleansing that is now to be, is to set you spiritually free, to draw out the darkness you sucked in when you "gave in" to the feelings of sin.

Try hard now to me believe for I see all through my infinite weave. For heaven waits for those that KNOW that through ME God's TRUTH DOES SOW.

~ I AM the Authority ~

Within me the largest ever rose does flower, and Mighty is the imposition of its power within the darkness that none can see, thus my name is Invincibility.

And I play an eternal game, 'tis why the "Fisher of men" is my name, and the darkness as said, I see, even the darkness any would impose on me, being any who'd have me deny GOD'S call from the sky.

GOD'S call being my request  
GOD'S call being my behest.

For, I AM The Authority to those of impropriety and thus, only those who heed, BY GOD will be freed. For my forces walk tall, my forces do all that I of them ask, those that in the dark and light bask.

It is the frailty of the human mind that does the soul eternally bind, and only I can **untangle the weave\*** and thus free those who me believe, and, they needs heed in every way, not deviate from my say through arrogance as they plod, believing they are equal to this bod.

They may be equal in nature, but for sure not equal in stature, for this soul Mighty be, as one day every soul does see. For, in the beginning was I **made\*** and GOD'S love is my trade, and thus, truly as God I be, as said, one day you will see.

So when I ask: "**Please plan to help me your remaining span,**" it is GOD who does speak those words through my beak. And, when I say: "**You needs pray in my chosen way,**" those who try to it avoid will for SURE fall into the void, for the Saviour I truly be, and the Reaper I can see, and I know what IS TO BE DONE at this TIME under God's Sun.

~ Begin your return home ~

CHILDREN, you only begin your homeward return when my message you LEARN, for only when you learn do you UNDERSTAND the reason for **My underhand.\*** I use it to you TEACH if the call to "**LOVE ONE ANOTHER**" you BREACH.

So now is the time to TRY, even though all will now cry. Those who continue to me DISOBEY will fall into frost, forever and a day, and the depths of the cold are DEEP, you go DEEPER for each soul you make weep.

So matters not what you HAVE done, today begin your return to the Sun, and THUS, my love that does deeply outpour, will your return for sure ENSURE.

You must keep calm in the coming spate for to MY forces you cannot relate, for the LANGUAGE of an unsound mind cannot with your understanding bind.

**And, the great depths of which I speak  
will upon earth now their evil wreak.**

So all WILL FOREVER KNOW what is BELOW if they that way GO. For the forces that to you will be unkind, are SOULS\* that with darkness I DID BIND,\* and when they have SPOKEN\* to thee, of their darkness\* they will be set free if they too learn before the end that they too needs to love append.

So welcome them too, with loving arms,  
even though you relate not to their charms.\*

Forgive those that did abuse you,  
at that time, to ME they were true.  
Just reach out with love and all share,  
then truly for you will I CARE.

Father God

~~~

~ The Spirit ~

The SPIRIT is the forceful essence divine with which the SOUL of humanity does intertwine at the time that it is CREATED. 'Tis thus to GOD THE ESSENCE we are related, and this SPIRIT does us **impress\*** and with its TRUTH does it us bless so that one day we understand the magnificence of this **divine stand.\***

Being the essence that invisible be, the essence that flows through thee and me, the essence that IS all, the painful fire and the love that stands tall, and, by love are we created, but to the pain are we related. What we need to learn is that it is NOT US to make others **burn.\***

So the love in our rose does over time itself expose more and more as we go our way, more and more heeding God's SAY, and if EVER this love we deny, then the PAIN does make us cry.

So, it's entirely up to you, and you, to decide to "which" spirit to be true. Which side of it I do mean, the Light or the **mean,\*** for each does forever give, but only in one do we in freedom live, for, the **lower\*** wants its **giving\*** back, and is eternally outpouring **flack,\*** and it does eternally make each soul cry that in ignorance does its own love deny.

For, the SPIRIT OF LOVE is at the CORE, awaiting to eternally outpour, and it can only begin once you are freed of inner sin.

So, beloved friends, please draw now near and to my final message do veer, for 'tis this spiritual love within me that now outpours to set you free, and you need to deeply understand that 'tis the love that by God was planned to fill your entire spiritual **place\*** within, so you see God's full face.

NOW is the blessed time to sup on my spirit divine, for only this soul can pure truth outpour and guide you DIRECTLY to love's final door.

I beseech all and say, hearken too, calling out to those UNTRUE, for those TRUE see what I see, they for sure believe me. So those who see not others' plight are walking into darkening night, and 'tis for them the test.

As their sanity becomes **undressed,\*** **non reason** WILL fill their mind and they will become MORE blind. So, whilst they have a little reason, I them ASK: "**TRY AND SEE the wisdom in my flask**"

Truly humble are those of God, keeping their mouths shut as long they plod when confronted by the arrogant breed who within have not yet found the need to LISTEN, for they continuously, arrogantly speak, harassing all, yes even the meek. So for them the test will be hard as within they now feel a painful shard.

So my humble ones I call out to you: "**To the arrogant ones PLEASE REMAIN TRUE. Reach out and them touch, let them SEE your love as such. God will guide you.**"

~ **THE Requirement of GOD** ~  
for the Light Bearers on This Sod

Remember children of mine that I call out to from my land divine.

"A true lighthouse projects my wisdom through their lips and my love is expressed through their deed. My blessings flow to you today via my pen that doth forever sway.

First must you the message understand about the shadow under my hand. This must be accompanied by love that streams out via the meditative star above.

So, daily via the star pray as you each go your way and teach all of the new truth, being the New Wisdom via my proof.

ALL must the 'brief synopsis' read, (page 343) and the 'Star prayer' (page 263) of the book with all speed, and preparations made for THE DAY when the whole planet will hear MY SAY.

Food and medicine under each bed and a candle to ward off the dread, and, provisions stored far from the shore to feed all who knock on the door.

Other than this, remember ME, I AM THE ONE to set you free. ONLY ME, your invisible God, adore. THIS is my final word for sure."

GOD'S only Commandment:  
LOVE ONE ANOTHER

So heed my message and heed it fast, for, for sure now good days won't last, and our dear Father expects now of you to show by deed that you ARE true. No more talking by vexatious mouth, for all your nonsense is very uncouth.

Keep your mouth SHUT and walk your way DOING HIS DEEDS every day, then God will see just what you be, and then IF He wishes, He'll set you free. So we'll needs now rely on our Lord above to daily, but daily, now fill us with love.

"Godspeed my children, the stage now free be, so let's start the ACT and see what we see. Please do your best now every day for, I want as many, as you ALL my way. My blessings flow through my dove."

~ The Hand of God ~

CHILDREN, Please TRY and understand the meaning of God's HAND, for it is BROAD and it is WIDE, encompassing ALL on every side.

'Tis the DARKNESS deep within  
that CALLS for RETRIBUTION if we sin.

See it please I ask of you, to your SOUL please try to be true. The LIGHT that reigns high above IS the merciful side, GIVING with all its love.

'Tis you that chooses WHICH side of the hand, the cold vengeful darkness or the heavenly sparkling band.

Oh, sweet children no more can I say  
for 'tis just beyond your comprehension the earthly way.

JUST BELIEVE I ask of you then you'll KNOW I AM TRUE.

~~~

~ GOD'S Helpers ~

"There are many things a mighty soul can do even when in the flesh" those above say to you. But, it is at THIS TIME we needs "drop all" and heed the vine. GOD too, I do say, can help lost souls on the way, God needs not us to roam around in a fuss.

We do, and must learn about the divinity we did earn, but once we it know, then it's time to slow go, preparing in every way for the day, for the day when ALL comes to a STOP and EVERY heart does a belly flop, knowing NONE CAN GO BACK, 'tis but the ribbon at the end of the track.

Knowing that naught but what we have done can help those on the run, so it is up to you, and you I do see to ahead now clearly see how YOU can PREPARE to YOUR WISDOM on earth share.

"Let the invisible ones do THEIR thing" in my ears does now ring. They will do what they needs DO even if to us it is untrue. We are to show the way, telling all about the PAY, the Karmic "coming back" that will every sinner now smack.

We are to tell every man and woman about God's plan, God's plan to clear the soul so in happiness ahead we stroll.

We are to show the way in preparation for that rainy day,\* by advising what provisions all need and what medication for those that bleed. In these areas please now seek, let God's angels your inner wisdom tweak so in another books' "lay out," bare essentials can all eyes clout.

Soon many will come to you saying:

"WHAT needs I do so I can prepare  
my heart and materiality, to share"

~~~

~ Declaration of Independence ~

The "HOW do I ensure my race is WON"  
is now issued to you from out the Sun.

By consciously declaring:

"I stand free from any religious dogma that be,"  
AND,  
"I believe the prophet's WORD  
of being peaceful and not wielding a sword."

It is thus dear reader that you'll be set free by mighty angels that follow me, for in heeding MY WORD sent by GOD you'll be fortified, as along you plod across the river that flows so fast, and the BRIDGE you travel on will surely last,

IT cannot be destroyed.  
IT is stronger than any evil deployed.  
IT has been built by ME,  
the Fisherman from ETERNITY.

So I now weep and wait hoping that you will not be late, for surely you needs decide NOW, and see my truth and love somehow. For I am HIDDEN in deep disguise, all you can 'see' is I'm spiritually wise, and, the blessings I bestow onto you are to ENSURE you become free and true.

Children, MY DEED IS DONE today, as it was on the CROSS the "other" day when I shouted, "IT IS DONE," I meant MY TRUTH WAS WON, that I had completed MY quest.

My truth for you I had impressed upon myself, and upon your SOUL, to fortify you as along you stroll with MY TRUTH at that time that flowed free from my vine, and this time I'm set free by HAVING ISSUED God's wisdom to thee.

So now in heaven there is a PAUSE, a silence to see WHO heeds the CLAUSE, issued by GOD, to be ADHERED TO by any who plod on earth at this time, the clause stipulating:

YOU MUST JESUS MIME.

So my heart reaches out. This now IS MY FINAL SHOUT. NO MORE CAN I DO FOR YOU. FOR YOU HAVE I BEEN TRUE. FATHER, MOTHER BOTH AWAIT TO SEE HOW TRUE, HOW READY YOU BE.

IT IS DONE.

~ **God's second call** ~

Hearken ye O faithful who have listened to my call flowing out from the source of all eternity:

Sell all your chattels bar none. Seek ye my kingdom, seek ye my kingdom. Rejoice in my love, rejoice in my love. Blessed shall ye be who hears this my second call.

Truly blessed are those that have the wisdom and the knowledge and the courage to hearken to this my call flowing from the depths of the never, never, the impenetrable mists of time.

I your GOD have spoken

~~~

~ The call of the Prophet ~

HE that prophesieth calls out to all the faithful:-

"Do you now HEAR and SEE the WORD of our deliverer"?

"Harden not your hearts towards your fellow mankind, open and let your charity, and compassion, and understanding, and forgiveness, flow forth."

This is the command of your LORD GOD flowing from the lips of His prophet Terence. Blessed be he that heareth, seeth, and doeth.

I will show thee O man what is good, and what the Lord requireth of thee: to love mercy and to walk solicitous with thy God.

The ever increasing tide of love, wending its way down from the hill of love. That wonderful hill of which I speak is the greatest ever with snow capped peaks.

Wonderful children of God reside there and they tell me they've got room to spare. Friendly faces and beautiful souls, they would you join them, and never grow old.

Beautiful children of the light, dancing forever in the day and night. Songs of wisdom so old, so old, songs of love too good to be told. I hear that haunting distant cry :

"Join us forever here up in the sky. The love of our Lord so gold and true, will flow forever between us and you. Oh, sweet children on the homeward run, try hard darlings it's forever fun.

Desperate, desperate, our cry to you, just for the brief spell try to be true. We love you, love you, love you, we say, we will love you forever and a day and the love of our Lord here above, streams through us forever from above."

I bequeath to you the blessings of the Sun. Every journey must its road run, freely to do whatever it will. There is no specific deed to fulfill. Onwards you must go helping all God's truth to flow.

Deep preparation made inside, so that Satan has nowhere to hide. Greetings to all you meet, advise all how to stay on their feet.

Quality of life must be maintained by all suffering loss, or maimed. Bless all who abuse you see. This way for sure you will be set free. Preparations must be begun to set aside funds for those on the run.

ALL must be helped that come to the door, food, shelter, caring for sure. WELCOME FARMS started by all who have any land and hearts broad and tall.

Son, we greet you with a shake of the hand and we wish you to deeper understand, fortunes will not be made by you, and your task will be difficult too, for you must lead them by the hand and make sure they all understand that the quality of deeds they EXPRESS, is what aligns them with the BEST.

Perseverance as along they go, with inner fortitude, and truth always sow. Tell them they must all put some funds away. For sure there will be some **rainy days**.\*

Preparation must now be made see, for the days ahead when there NO funds be. Food and medicine under each bed, this way 'tis easier to not feel dread.

All but all will go into the country, it will not be possible to live by the sea, and by 1993 all must be done. By that time every SOUL **on the run**,\* so within one year, we would say, must PROVISION be made for the rainy day.

Guidance for the rest you have for sure on what needs to be done to reach heaven's door. Good luck, good luck we say to you, tell all to try HARD to be true, true to God who resides within, the only 'soul' who can drive out inner sin. **Daily prayer in meditation see**, this son, we MUST impress on thee. God bless.

Blessed Father up above, fill me more daily with boundless love. Help me to SEE what I must DO so I'll help ALL your children through. Quietly now I go my way. Quietly now for all I do pray. Quietly now all believers I ASK, quietly now set your minds to TASK.

Believe, believe, believe, what I say, our heavenly Mother sends Her love this way, so hold fast, hold fast to your sanity, eke out all the dread and the vanity.

Harass me not I ask of you, just do YOUR THING and show YOU ARE TRUE. Allow God's thoughts to flow through YOU and show HIM, you too are true. Godspeed.

~~~

Lift up your hearts, children MINE who this read. 101 million of MINE are mingled with the **sinful breed**.\* Yes, SENT DOWN from up above. Yes, the very best men and women of the dove, and amongst you are 144,000 strong with deep insight of right and wrong, and NONE of the 101 million will I lose, even though you all will negativity infuse.

You have all **taken on**\* the sin of the world so as to CONSCIOUSLY **understand** the "**knobbed and knurled**,"\* but this sin will from within you CLEAR, THEN my full power will be very near.

So in every village on the planet around are some of you with INNER TRUTH SOUND, so do your best and look to my star, try and elevate 5 billion with the understanding from afar.

Remember, remember you are my "men," the very best chosen by this very pen and you will KNOW when you this read, so prepare YOUR MINDS with all speed. God bless.

I love all of you, let's uplift the needy and SHOW we are true, true to our Father high up above. Show the world you are filled with love

~ I AM HERE ~

I AM the Christ returned again.  
My new truth is not in vain,  
heed it like never before  
if you would reach my shore.

Christ has returned at last, at last, to be with his brothers during the blast, and his POWER AND AUTHORITY will be in THE WORD that will flow free.

Being the WORD OF GOD that all must hear for them the HEAVY LOAD to bear. All that's needed by His children will be issued from out this pen.

Seek not FAVOURS I do ask for now every soul is set to task, set to task in what they do in assisting their brethren to pull through, and those who are suffering from defect must stay calm and their thoughts deflect. Deflect within, and then ABIDE in GOD'S WORD and the storm outside.\*

As it was WRITTEN so shall it BE, now the time for believers to be, be saved by the GRACE OF GOD and at their end be elevated from the sod.

So no earthly miracles will you see emanating from out of ME, only silent COMFORT will from me flow and within your hearts set a'warmth aglow.

Believe, believe, for what I say is true, our Lord God is cleansing you, drawing out your inner sin, yes dear children so at last you can win.

I bless you from this end, I've returned to show I am a friend, for a simple BROTHER is what I be and will show YOU HOW to stay free.

God bless you, I love you too, please show God that to God you are true. Turn your thoughts daily to the WORD of Compassion and Forgiveness, do not wield the SWORD.

Our Father has again sent me to you  
so as to show that HE IS TRUE,  
true to His Word from His distant shore,  
that He'll help us today and forevermore.

Verily I have returned as a thief in the night so as to SEE the world's dismal plight, and I emerged through a clouded womb,\* that of a woman yet filled with gloom.

So be it, it was done, as can all by the son of the Sun, and along every road have I walked and with satanical forces have I talked.

Yes with both forces short and tall, kindly souls and those who'd make you pall, and, I have SEEN what I had to SEE so as to understand the reality CONSCIOUSLY. For in THIS LAND we have a human mind, very LIMITED and often unkind.

So, even for a soul of divinity needs we STOOP into the land of infirmity. Yea, verily, TAKE ON the sin of this world so as to UNDERSTAND the knobbed and knurled. So now I have seen I now must do what our Father in heaven sent me here to.

TO BEGIN the END UNFOLD, yea, verily 'twas already foretold.

Now the time has begun, soon every soul on the run. NO more messing with UNREALITY, the TRUTH OF GOD all will see.

Now the SWORD and now the MACE brought on by an evil race. All will be confronted by REALITY, all who HEARD NOT will feel see.

Believe it, it is true. What was written is for ALL OF YOU. Yea verily, all the "poor," being the merciless and unforgiving for sure.

All will reap what was sowed, like a lawn recently mowed. All but all reduced to one size, all the evil that did the meek despise.

HEARKEN to what I say to you, soon, so soon, all will see I AM TRUE.

## ~ What I do see ~

Oh Mother, Father, I am sick with the injustice I do see for it is foul and running free, for, in every house\* of yours I walk, I find the "dark one" does stalk. Negativity does run rife and every man abuses his wife, and the time has come I see that retribution needs flow free.

Every man must find his TAIL, his past, and he will QUAIL, for the deeds that he did do will now for sure find him too.

Oh, blessed Mother way up high, I did try, I did try to find one man who compassionate be, to set him free, to set him free. Not one did I see other than the son you gave me, so for sure now the time be to set suffering souls forever free.

Oh, loving Mother so high above, fill now all please with your love and as their evil does outflow, let your Mighty Wisdom in them grow. Purity and peace forevermore, purity of truth, that's for sure, the truth that must forever flow.

YOUR TRUTH that every soul must know. The deep truth of giving with love for any soul who'd aspire above. Of reaching out with loving hand, for any soul who'd reach the summer land.

Oh, Blessed Virgin Mary so sweet, so many of my brothers did I meet and not one remembered me, not one would help to set me free. Only some sisters of the light came forward in the deepening night, and gave a lonely brother some love and helped guide him on the road above.

Blessedness to those true, blessedness to the few, blessedness to those that helped me. Blessedness, mine will flow free. Their joy will overflow when they up do go, for in the highest land I do see, will they forever ABIDE WITH ME. SO BE IT.

Help me; help me, I ask all of you, to help the message of HOPE flow through, the message that now and forevermore we will help and uplift all the poor.

Brothers and sisters of mine so dear, draw please all the sick and needy near, wipe their brow so tenderly, hold them close and set them free.

Brothers and sisters all I do ask is, please now set your souls to task. Heed the Word of God with LOVE; let GOD guide you from above.

Brothers and sisters of mine so true, remember always that I love you, walk your road with peace in your heart, and know now that forever we'll not be apart.

Together we'll walk this last short road. Together we'll share this last little load. Together we'll join hands in sincerity, together we'll teach truth with clarity.

If only you knew what I did feel, every one would a bit of my heart steal for, the joy I see and I do know will soon darlings in your hearts forever flow.

Trust me please like never before, of this I ask and I implore, for you will need all my love to help uplift the needy high above.

Children mine, brothers so sweet, sisters so true who I love to greet, open your arms so very wide, welcome all within your stride.

You will not fail me this I'm told by our Father so old, so old for 'tis His Wisdom that flows through me, yea 'tis our Mother's love that flows free.

Heavenly hosts now gather around you. They will help you to keep true. I am with you all the way do your very best please every day.

~~~

As said, the reality that I see is that all within God be. BOTH the **evil** and the **good**, and this by mankind is misunderstood. God controls all forces short and forces tall. Understand what it's all about and then stop the gadabout.

The CREATIVE God of light and love would have it that you returned to Him above so don't listen to the destructive forces way below who forever FOR GOD must untruth sow. God controls all I see, angelic hosts His be, and **demonic forces** way below are inspired by Him to truth SHOW.

THE TRUTH of what be when we abide not by God's reality, for if we heed not, we fall, confronted by forces that make us pall. In God's image we BE, with the CHOICE of what to BE. WE choose which way to go, God's forces will with us flow.

YOU decide which way to go,  
and then the CHOSEN force will around you flow.

**GOOD** OR **EVIL**, you choose, and the force chosen will guide or abuse. Do good, God's angels will you surround, do evil, God's demons will you ground. So children if you'd above go, abide by God's WORD, 'tis truth I sow.

The POWER at both ends be the ULTIMATE POWER OF GOD see, and if you choose to below go, it can take an eternity to change the flow, for in the depths of the abyss below, it is VERY HARD to reality know.

So friends, WISEN UP FAST for eternal freedom is here at last. Remember the forces below will work through ANY foolish enough to let them flow. They are God's forces to test those of the flesh.

Wisn up fast, don't let their thoughts with yours enmesh, for if they DO, they'll drag you down where FOREVER you'll cry and frown.

They MUST the flesh use for retaliation against those who DID abuse, 'tis how justice is done. I say let it be done by another one. If they use you then you will **reap** at a later time and you WILL WEEP.

See how the danger IS within you for you can a destroyer become too if those below WITHIN deceive, and use you to make others grieve.

God's word is the truth. God's word is the proof,  
God's word heed now. God's word believe somehow.

Why does our Father in the sky allow us to feel pain and thereby cry? This is the question you might ask so now I set my mind to task, for I see that our Father is ALL, and all the forces are within His call.

So, darkness cannot be undone for it EXISTS alongside the ONE, the one true God who exists above, forever streaming out light filled with truth and love, streaming it out where it falls below so as to FOREVER let the darkness the truth know, the truth that the Father IS LOVE, and that the Father guides all from above.

So friends, what I want you to know is that 'tis but truth I sow, for our Father CANNOT destroy the evil below, for our Father CANNOT destroy for 'tis but love does flow.

But our Father too is the evil side, for as said, ALL is within His stride, but the evil is within Him in and this we needs know before we can win.

For, as we are created for His truth to sow, the REALITY of evil we needs to know, so to IT are we exposed when we grow up and HE says "Of the evil don't sup." For HE says:

If you do, you will feel its reality come to you.

So, as we don't listen we need to 'feel,' this way the understanding in filters our reel and over time and time and time, we get to UNDERSTAND God's love sublime. The love that says: "Forgiveness and truth, mercy and compassion, and from none stand aloof, and

ONLY when we Him hear and heed are WE out of reach of the satanic breed. So friends, set your minds to task this once more do I ask, for you came to earth with a mission as me, and to ACCOMPLISH IT you needs of negativity be free.

A Mighty soul lies within you in, incredible light deep, deep within, now friends, let this light shine out, show the world and GOD YOUR spiritual clout.

~ GOD - Father & Mother ~

What was written shall now BE. Not written before, but now written by ME. Those of this world, who wield the **MACE**, SHALL FOREVER GO TO A DARK PLACE. What was written before is all CONFUSED, by many a hand changed and abused.

So get it RIGHT and see it CLEAR, ALL MUST NOW TO GOD quickly veer. There is but ONE GOD way up high and GOD is the highest of the HIGH. That God is Triune is for sure true, the "SON" being the children, me and you.

God Father and Mother be, named differently by RACES see. Matters not what we believe, ONLY that the Word does not deceive. So ABIDE by God's word if you can, and, if you've heard, every soul shall Christed be who believes and does see.

God is not Christ, and Christ is not God, that Christ "is God" is a folly of the sod. ONE AS THE MOTHER can a Christed soul be, meaning: As the Mother of inner evil free. So children please try and see ALL RACES are God's family.

Women and men will ALL CHRISTED BE if they believe and follow me, not me the wielder of this pen, but the MESSAGE told back then, given by MANY and the Nazarene see, ALL were messengers of God, believe me.

For I too a messenger be, sent now to set you free. Free from prejudice about the FACT that in the TRUTH you sorely lacked.

"ALL your brothers and sisters must you love,"  
says God now from above.  
"TRY PLEASE TRY,"  
is the message sent from the sky.

~ The greatest deceit ~

The greatest deceit sown unto mankind was the Jesus story, oh, so unkind. Being the story that said that he was God as along earth's paths he trod. And the other I do see was the false "teaching" that his fleshly body rose spiritually up into heaven from this sod, leaving an untruthful picture to those who yet plod, plod along with their heads in the grime trying to follow and emulate swine.

Swine that did mankind deceive, swine who many yet follow and believe. JESUS was a man of the flesh. His SOUL was Christed and from heaven impressed, impressed by God to on earth walk to spread God's WORD as he did STALK, *stalk\** among the devious minds of shuttered souls as yet blind, and the beliefs that I now see are to be changed IF you'd be free.

Flesh is flesh and of the dust, that you see this is a MUST, 'tis the spirit soul deep within that rises to heaven or falls if you sin. And that Jesus was God is UNTRUE I tell all of the sod. God's MESSENGER he was I see, "as one with God" through his divinity.

"As I am so shall ye be" was his message to those of infirmity. FREE OF SIN is what he meant as I now reiterate, from HEAVEN SENT. For his SOUL IS within me returned in the flesh again to set His free, those that HEED the word of God as spoken by Jesus as along he did plod.

So friends now you know, worry not if your FLESH falls into the snow, 'tis the spirit deep within that CARES whether or not you sin. For IT can see all the depths of the darkness that would make you pall and IT can also the truth see, and IT wants to be forever free.

So just heed the word as along you plod, follow Jesus' WAY whilst you are on the sod. "PEACE UNTO ALL," and if you this believe then you'll find out neither Jesus nor I deceive.

~~~

In the shoes of the fisherman will I walk, in the shoes of the fisherman will I stalk, yea, verily the "dark one" see, so that forever you'll walk free.

For the fisherman is who I be, to set you free, set you free, and now forever you will roam in the heavens all aglow. Aglow with the love of God, the Christ light will fill all of the sod, all who last to the end, for them all will be a friend.

God's essence from above will purge speedily with God's love and set you free, set you free forever. Soon you'll be filled with divinity. A Christed soul each will be, free forever, forever free to roam the heavens up above, free like me and filled with love.

Believe for it is true. Believe for I love you. Believe for forevermore I the Christ will you adore. Forever now I'll walk by you and you'll feel my love flowing through, through your soul in every way until God's heaven we reach one day.

Children, there are worlds of little light where once "entered" you have to *fight,\** fight the feelings deep within which would drag you down and make you sin.

And, from this realm there is but one way out and you needs use all your spiritual clout, heeding the word of God above BEFORE you're given the upward shove.

Yes dears, 'tis the world you are in, you needs SEE THE LIGHT before you can win. BELIEVE in the land above, where you cannot enter unless filled with love and to ATTAIN THIS, you needs purge the past, pay past debts at last, at last, and to clear the debts from the past you needs REAP, BEFORE being free at last.

Please believe for it is true what this old soul is telling you. For if you SIN as along you go, **negative energy** WILL within you grow. And, you'll struggle on and ON and ON, maybe an eternity a'fore your race is won, and the COMPOUNDING PAIN you will feel WILL CONTINUE, and you will more reel.\*

Take a deep breath, say "I CAN SEE God's CLEAR truth and reality, that to aspire above, I needs be peaceful and give with love." Every soul is through God intertwined; those that see this not are truly blind.

The Lion roars, the Lion feeds. Slowly but surely his anger breeds great power of deepening night, so let's prepare now for the final fight, the fight against dark forces within. Powerful forces that would make us sin, and these forces would drag us down, down my friends so we would drown.

Please I ask of you, BELIEVE, for I am true, true in truth for our God above, true in the WORD of "GIVE WITH LOVE."

That I despise is for sure true, despise the evil that shows through, for this evil the other half BE, yes of God and also me. So heed me I ask of you, show you have the strength to be true.

True to the creative God of love who would have YOU join Him above. I will TRY this I know, to forever the truth sow and I see to set all free must I THE CHRIST once again be.

I AM the candle, the candle of God returned now to SHOW THE WAY to those of the sod, and the LIGHT streams out from within, being the:

**TRUTH OF THE WORD and "FOLLOW HIM."**

HIM being the Nazarene from long ago, a simple man whom God's truth did know the truth of: "To all, Give with love, and TURN THE OTHER CHEEK to aspire above."

So falter not when you look at me and but a simple man of the flesh do see, for the TRUTH is the SOUL WITHIN that KNOWS THE TRUTH, and how to win.

God speed, please see the truth. From needy brethren stand not aloof, and now the LOVE OF GOD ABOVE flows to YOU with all my love.

CHRIST THE KING lives again, His truth is not in vain. HEED THE WORD AS NEVER BEFORE if you'd reach my heavenly shore. Peace, non-retaliation, mercy, forgiveness, compassion.

I AM THE CHRIST, heed the word of God and your journey won. The voice of the KING will flow through, for the WORD of the King is true forevermore for those that believe the TRUTH this soul doth weave.

Give with love to all who come to the door, MY light is within them ALL for sure. Those who have COURAGE in this race WILL BY ME be given a very special place. I AM the Paraclete, the Christ.

"From out the ashes will rise green and gold  
yea, verily all souls courageous and bold."

God's earthly messenger is who I be, returning "now" to set all free. Those that believe that I HIM be, remember Jesus then\* the name the key\* be. For in the belief you'll seek my star, CLEANSING with its loving power from afar, and you'll stay SANE in all you do and help your needy brethren to quicker pull through.\*

I LOVE YOU.

In the name of the Father and Mother I pray: "Sweet Mother divine, outpour please your essence divine, let it swiftly purge out the evil within and allow your loving wisdom to flow in. Swifter and swifter let your love flow so that it quicker does in every heart grow. Let all remember the cry of the dove to heed God's wisdom with all their love, AMEN."

Children,\* brothers and sisters of mine, I speak again\* one last time. Please HEED the word of God so never again will you on earth plod. Some of you are from the past, yea verily incarnated from below\* to face the blast.

You'll feel the FURY of those below who needs make YOU the truth KNOW. What you did to others see, in the past, and it must be that you now FACE what you did do, so now show to God that you CAN be true.

"Die" in calmness if you can then you'll see God's divine plan, for in truth, you will KNOW that ONLY PEACEFUL SOULS can "upwards" go.

You'll feel the fury of the past released now in the satanic blast, truly souls from out the past are released by YOU at last. At last released to REAP, aye out of the darkness they will make you weep so remember, HEED ME, ONLY THIS WAY will you forever become free.

There IS a heaven, a wonderful place but you CANNOT get there if you wield a mace. How many times must I so speak BEFORE you'll believe it's a place for the strong\* not weak, for 'tis the STRONG that stand calm, believing God's heavenly balm. So believe me, I ask of you TRY to God's WORD BE TRUE.

No more recriminations about the past,  
just prepare the mind for the coming blast.

For all the forces way down below will be working harder to your minds slow.\* The battle begins as never before, all God's children must prepare for sure, for, the DESTINY of each soul is now at stake, to fall below or heaven make.

Decision time, "Where will I go, see the light or fall below?"  
Truth, now it's time for truth. See reason and from NONE stand aloof.

EVERY SOUL DOES ALONE STAND, follow not the invisible band, the invisible band of hateful men now exposed by this God's pen. Stand alone before sweet God, let him guide you as you on earth plod, for ONLY His wisdom from up above will guide you to his land of love.

Trust me children 'tis all I ask, then forever you will in heaven bask. Fight against the thoughts within that would deceive YOU into sin. Seek the star high up above, the star of the heavens filled with God's love. I bless you 'till the end.

Try, please try, I am your friend.

Oh darling Father up above, have I said enough about your love. Is the "book" finished I ask of thee, or is there more to this prophecy, for only I know what's in store and I'd prepare your children for sure, so please I ask of you, if needed send more through.

My heart grows heavy and very **old\*** for from "below" I feel the cold, the darkness now moving up that will keep many from the last sup.

Yes many will not believe, many will THINK that I deceive so 'tis they who'll be deceived by the darkness' subtle untruth, weaved, but I know I must stop and for a moment **shut up shop,\*** otherwise the book will never printed be and already many fall below I see.

Thank you Father and Mother too, I will forever be with you. I am lonely this you know for only I the whole truth know. There are a few friends who with me walk but from the **final truth\*** they may balk, so we'll see what's to be. I'll forever try to keep souls free.

To angelic men,\* I now write with their pen,\* and from my soul do I speak, a soul old and very meek. "Thank you for coming through,\* thank you for being true, thank you is all I can say, thank you from me forever and a day.

I will remember when I'm back with you the difficulty you had in "coming through," for my simple mind of the flesh made it difficult for us to enmesh. But I feel all was well done, we'll fortify many in the coming run."\*

So maybe now I can rest for a while before MY coming test, for once again must I stand naked, and alone, and face the band, aye the band of hateful men who'll be aroused by this pen.

But matters not I do see what happens to little old me, for the MESSAGE I have sent OUT and NOTHING NOW can deafen the King's SHOUT.

Bless you all who heed me, my truth will set you free for 'tis but the word of God sent from heaven to you of the sod.

Now once again is my heart besmote for all the truth that I have wrote, for now the time for peace is done and once again my soul on the run. For 'twas said on a cloud\* I'd come see, but as a thief in the night was it to be.

For fifty quiet years was I hid away but now exposure has come today. To be scoffed and scorned like never before, that I see is for sure.

Ridiculed by the pompous poor,\* and the hateful and greedy will knock at my door, and if God wills it once more I'll stand and be the victim of the satanic hand, but if it's to help you, I'll it do that's for sure, if it will 'pull' some through.

So, steady on lads, please give me a go I mean God's truth that I do sow. Peace, non-retaliation I say to thee is the ONLY WAY to become free.

Godspeed. God bless. I say to you, let's show to all and God we're true, let the mighty angels who stand by your side help YOU to be elevated above anger and pride.

Sweetness summer wine, outpour love divine.  
Let truth shine forevermore 'till ALL reach your door.

~ All are duty bound ~

Children of God high blessed, from now on you are all DUTY BOUND IMPRESSED. Heed the WORD as you see it flow, heed the WORD, let wisdom in you grow, the knowledge that be, knowledge to set all free.

Our God depends on you so please show HIM that you are true. Fortitude is a must, in your faith must you trust. Blessings from heaven will flow more and more as you "grow," grow taller from your deeds, grow taller as your heart **bleeds,\*** bleeds in compassion and love for the children of God above.

"LOVE" children, 'tis the only way. Give them love and help them pray for they will swoon from what they see and their senses will make them reel. Bless them and hold them tight, encourage them by day and night, help them to hold on to God's wisdom flowing from you.

DUTY BOUND we now all be so lift up your minds to the star that be the guiding light of God above, filled with the forever love of the dove.

Blessedness on this night, blessedness for I am right, right in what I needs DO to help mankind PULL THROUGH.

Stand tall fearlessly, this will help many become free, they'll know I am true, true to the Word shining through, for the word His be, our Creator the God that BE.

I'm strong deep within, stronger than any sin. Temptation can me not reach, this I must SHOW not only preach, so TRY ME, this I ask, set my soul to task.

Quickly now the time will run and many soon to fall undone so friends of MY breed, fortify your souls with all speed.

Foolish will many be not believing what I see and they'll amble on and on and on, daily more **blinded\*** by the dark one.

So try please to see the truth of the Word, and stand not aloof. Watch your actions as along you go, don't let your actions slow.

~~~

~ Thief in the night ~

Would you like to know HOW I came as a thief in the night with no name, how it felt to awakened be from a sleep in which I dreamt daily. Dreamt of a world free of sin, dreamt of a world I could live in, dreamt of a world that was free, dreamt of a world free of misery.

And I BELIEVED our Lord God, our God of love, as along I did plod for I was a man with no name, knowing not one day many would call me vain, and the man Jesus was close to my heart, I asked him daily not to depart, depart from the minds of his good men I knew I'd meet when called by his pen.

But, the wielder I did not know would be me with God's truth to sow, for our Lord God bound my mind with the world's sin, oh so unkind. So I would know and pain feel, and inner loneliness would make me reel until that one day God released me, and 'tis now this day that I can see, see again who I be, the same soul who stood at Galilee.

But, as yet my hands are bound by God UNTIL ALL HAVE FOUND, found their truth deep inside, whether to [rise](#) or [downward](#) slide. 'Tis why I now say to thee, 'tis the time for believers to be, be saved by their BELIEF, 'tis why I came like a thief for, if I'd come like a shower of rain, even non believers would believe my name.

So now 'tis but a test, to separate the [BEST](#) who God [see and believe](#),  
from the ones who yet [deceive, fight, and disbelieve](#).

As we NOW choose we are freed, those that choose light, of their sin that did in feed. Those that choose darkness compound it more and they will fall, that's for sure.

Try hard like me for once I too was not free, 'tis only now once again I can do all God asks, which God asks you too, for we can all blinded be, [thinking\\*](#) that we are free.

Only AWARENESS can show the way,  
the way of our [deeds](#) every day.

Sweet friends I've talked enough so now you do your stuff. Let YOUR CANDLE burn bright too, see how many YOU can pull [through](#).\*

Sweetness I love you, sweetness you're so true, sweetness to our God above who tries with ALL HER LOVE. Her wisdom does She send forever down this end so now we down this end must show we appreciate a friend.

~ The House of God ~

The house of God be His children from every land across every sea. Those that heed and abide by His Word, **SPEAK TRUTH**, and **WIELD NOT THE SWORD**.

This prophecy inspired by God is for ALL HIS CHILDREN of the sod, of every colour and every creed, even those still filled with hatred and greed.

For it will help ALL OF YOU reach heaven if you TRY TO BE TRUE, true to the wisdom now flashing through from GOD IN HEAVEN, through me TO YOU.

His Angelic Hosts reach to the Sun, they will ensure that all is DONE, so prepare now for the heavy load for now we must reap as we walk the road. Heed the prophets from long ago. I now the simple truth sow. Christ the King lives again and His truth, God's, was not in vain.

The WORD OF GOD is the name of this scribe who is not in vain. The TRUTH OF HIS LORD echoing from above must be heeded by those who'd **see the dove**.\* Those who heed NOT this call of mine will NEVER REACH my land divine.

My light and truth reveals me returned as a "thief in the night" to set MINE FREE, NOT those who to a religious club belong, NOT those who say **"I hear Jesus' song,"** NOT those who say **"I see the light,"** ONLY those who **SHOW** MERCY guides them in the night.

For, 'tis only by DEED you are known, NOT by the truths you say you have shown. So my friends, I write this to thee for now it's time to show - - -

IF you hear me.

"HEED THE WORD" is the cry from above, "GIVE TO ALL with all your love. Forgiveness and mercy to the fore, turn the other cheek to reach my shore. Now the time and now the place, time for testing the earthly race."

"Believe it children, follow me, 'tis the way to be forever free, and now, as in every kingdom under the Sun, on Planet earth will My will now be done. Any that heed this call flowing free will for all eternity become fully free."

"O sweet Mercy, Compassion too,  
I your God love you true."

~ Healing ~

HEALING dear children is the easing of pain, whether mental or physical it's all the same. Emotional turmoil deep, deep within, this too children can be painful sin, for it all arises from negativity see, negativity clouding our reason this sometimes be, and as these negative feelings arise inside, they twist our thoughts and we others despise.

We're proud and vain, and selfish too, arrogant and lustful and greedy too. These are the forces that make us pain feel as we walk the road on the spiritual growth wheel.

So healing is but UNDERSTANDING see, understanding in the soul to set it free, free from the **pain** it drags all the time in, whenever the soul weakens and gives in to sin.

So understand please what first needs be done, understanding, forgiveness and compassion, to all under the sun, for all those suffering deep trauma see, are poor souls deeply trapped in negativity.

And, they need LOVE is what I say, love and understanding given each day, so reach out and touch and with them pray.

Teach them the **Star meditation** to clear negativity away, for powerful forces way down below, negative thoughts in their minds do sow and these "whisperings" of fear and hateful ideas, need to be overcome by Jesus and His peers.

For His love can guide you too, in thought, and word, and gentle touch too. 'Tis not the physical we work on see but the crying soul longing to be free so understand as you go your way, reach out to all and help them to pray, and angels of light will gather around you for in spiritual essence will they work too.

~ Meditation ~

MEDITATION is a way in which we pray, pray for deliverance to come our way, deliverance from our inner sin that traps us on earth and strives to not let us win, win that freedom forevermore where we will in the heavens soar.

So in the meditation I teach thee, you'll be reaching Jesus who'll set you free, for the road you walk and have in the past, may have been tortuous, but won't forever last, and the REAPING now coming our way needs be done before our Karma clears away.

So the meditation on the **STAR OF BETHLEHEM** be the only way to keep your souls free, free from **STRIKING BACK** and "sowing" more negativity when you're "reaping" for what you did before and clearing debts see, and our LORD GOD high in the sky will wipe your brow, and your tears dry.

So, thrice daily I ask of thee, DO HIS MEDITATION and HE will keep you free, and teach all that you now meet, how they TOO can stay on their feet, and our LORD GOD high in the sky, will bless YOU forever that you did your best try.

~ Lust - Desire - Love ~

An understanding on LUST, DESIRE and LOVE, I now send you from above. For our dear Father would have it be, that the truth and reality you see more clearly.

**Lust** is a force, a lowly force that can a soul from God divorce, pain and purpose behind the thrust. That it **take\*** and satiate is a must.

So with lust a soul cannot **think,\*** turmoil is close and sanity on the brink, and that soul can **fall\*** for sure from what it "does" to the needy poor.

As for **DESIRE**, 'tis a feeling much higher, a true positive feeling that is pure desire, and this feeling accompanies love, yea, truly **sweet love** from above.

The love that flows through with share and care is the "I love you" let us our souls bare, the caress and delight do "togetherness" **prove,\*** the word "sex" is just the togetherness move.

So sweet children please do see, 'tis the LOVE I seek to unfold in thee, for when two LOVING souls unite and entwine as ONE, then truly God's love in both is **undone.\***

So seek deep in your hearts I ask of thee, understand all forces unleashed to be free and ALL the negative ones now more to rise, feel and experience, but DON'T others despise.

Just control thoughts that "come in" when you're "feeling" the negative sin, this way you'll be happier and sooner free and won't sow pain that will come back to thee.

When all **lowly forces\*** are cleared and souls are free, then ALL positive emotions will be EXPOSED IN THEE, and ONLY these positive emotions will remain, and truly forever you'll abide in my domain.

For, the light of love through each will shine and you'll know the Christ light is love divine, and this light of love in each will flow free, then and only then, will you see God's pure reality.

The PURE share and care and "I LOVE YOU"  
is the communion of truth between two,  
and the PURE communion of truth between two  
**IS the reality of God flowing through.**

~ Work for food ~

The time will soon come when all work is for FOOD only. There will be greedy "takers" and caring others helping the lonely. ALL PARISH BELIEVERS in our God above MUST NOW HEAR His message from above.

GIVE WITH LOVE TO ALL I SAY and help with COMPASSION all who come your way. "Buildings" and "Churches" are things of the past, just get out and HELP the needy to withstand Satan's blast.

Every GOOD SOUL a counsellor be, an APOSTLE OF JESUS for all to see, and LOVING Church ministers shall also be, and guide all in prayers and pass on His blessings see.

Tomorrow is too late for those that BELIEVE son. TODAY IS THE DAY all of the above must be done. The star meditation must be shared by all, this way they'll be stronger and will not fall.

The morning star with light from above, fills the heavens with deepening love. "Seek me, seek me," I hear the call, from loving angels who guide you all.

"Seek the star that shines so bright, seek the star with its heavenly light. Seek the star as it shines above, seek the star, draw on it's love for it IS the symbol of the king, it is the symbol of His ring, the ring symbolising His marriage to God, showing His eternal guidance to those of the sod."

And the star has risen high, higher than the others in the sky, and this star is filled with HOPE, extended to you as a golden rope. Seek it out and be lifted up so that forever you will sup in the heavens high above with your brothers and sisters in the land of love.

Jesus, Jesus, I see your star with its loving power from afar  
 Jesus, Jesus, please be with me  
 fill me with light and set my soul free.

ALL who this book read will receive God's blessing through my seed. They need not believe all I say and probably cannot until another day. All it is I now ask is for them in the light of TRUTH to bask, for in reading what I say will they help themselves and others another day.

For swiftly now, time will more RUN and e're very long the planet falls undone, not undone in totality, but people losing their spirituality. And thus, being spiritually deceived by the satanic web now stronger weaved, and, for a time the light will be less, and 'tis the UNDERSTANDING I would on you impress.

So friends who do not FEAR to my message read I call you NEAR and bless you if you come my way, for all now need to know the NEW way to pray. The way to FORTIFY THE MIND against unseen forces oh so unkind, and those who follow MY WEAVE will SEE the ultimate light and God believe.

~ All religions OF God be ~

Islam, Buddhism, Hinduism, Christianity.

What is at the loving CORE

IS God's LOVE for sure

CHILDREN, 'Tis I your GOD who does speak, calling out through Terence to all who SEEK my wonderful kingdom up above, verily the kingdom of Christ light and love.

Heed my call now via this pen, Terence the man IS my foremost of men. Only those who now my call HEED will forever and ever of inner evil be FREED.

Lay down your weapons IF you believe that the WORD OF GOD does not deceive. Teach all your children, and you of the frock need teach this WISDOM to your erring flock, for NONE but NONE yet teach this truth, and JESUS died to show you his PROOF that ONLY in non-retaliation do you become free, and ONLY when free will you join ME.

All the churches made by men and their ministers are called by this pen. Tell all the soldiers who now go to war what for THEM lies in store, for they will FEEL what they put OUT. They'll feel the pain that they mete out and if they DIE as they others abuse, then eternal freedom will they LOSE.

There is NO reason to defend a home that is being savaged by others that roam. Just walk CALMLY and with quiet in the night, TRUST IN GOD THAT ALL IS RIGHT for if you suffer it is how you pay for what you did to others, another day.

This is TRUTH that is for sure and there is ONLY ONE WAY UP TO MY DOOR. FOLLOWING JESUS, and walk as he did, it seems his message is yet from you hid. He died in peace and calmness for sure to show YOU NON-retaliation and more.

HEED now what I say to you, Terence the CHRIST is a soul TRUE, and this last message now via his pen must be heeded to avoid Satan's den. So all leaders and teachers of truth, teach all yours to not stand aloof, aloof from their brothers, the needy, the poor.

Compassion and mercy is to be shown for sure. Bless you ALL who believe ME, I AM THE LIGHT TO SET YOU FREE. Hearken now to this final CRY that will call no more from out the SKY.

~ The Risen One ~

I am the One from "before" who has "arisen" for sure.

So all now must heed this pen, that is, the one by God chosen in this last task to help humanity the "dark one" unmask.

For this dark one is very cruel and over sinners is now to drool so, to all men true, yes, I mean you and you, read my book The Last Prophecy, its infinite wisdom will set you free so that all humanity you can help, as they are "decimated" by the satanic whelp.

For now compassion and love divine must from you to them entwine. My lovely sisters so beautiful and true, my lovely brothers who stand tall too, tis to you I now "reach out" with my book, God's FINAL SHOUT.

All who this read are asked by God to with all speed;

"Pass the message on  
about the book of HOW the race is won."

Don't just put it away thinking "I am now okay." God does see all, prepare HIS OTHER CHILDREN for the fall.

~ Walk your own path ~

Christ is here, Christ is there, will be heard when this book is laid bare. Worry not where I be, go your way and HEED GOD'S WORD I say to thee.

ONLY heeding God's Word will get you above and you'll be helped by my star filled with God's love. So seek me not out I ask of thee, go your way and HELP THE NEEDY.

IF YOU BELIEVE the new truth I sow, heavenly hosts will around you flow, and they will guide in all you do, and from God will greater wisdom flow to you.

~ God's Judge ~

YES, I have returned as God's "Judge" to against "dark souls" place a smudge so the Reaper can also "see" what to the "smudged" will now be, be done before all eyes so all souls become quicker wise and learn what they put out RETURNS and does them clout.

So to you, you, and you, the thousands I've been writing to, wake up real fast, good days now will not long last, and as I Judge you, 'tis God saying to you :

"Son do you not see the way you go"  
Son I your God say "Go slow."

What I do, I do for the light  
GOD in heaven.

What I do is what I write, for  
GOD in heaven.

HE is the ONE who inspires my mind  
GOD in heaven.

HE is the ONE to guide all mankind  
GOD in heaven.

HE is the ONE who holds my hand  
GOD in heaven.

HE is the ONE who outpours His love  
GOD in heaven.

HE is the ONE, the one to trust  
GOD in heaven.

HE is the ONE for whom I'll die  
GOD in heaven.

HE is the ONE, the one and only  
GOD in Heaven.

HE is the ONE who sends His love  
GOD in heaven.

HE is the ONE saying; abide with Me  
GOD in heaven.

GOD SPEED.

This ends the basis of the original book "The Last Prophecy" published in 1989, that has been incorporated into this final edition of:

The Testament of Truth

My dearest friends, most of the preceding communications from our loving Source were received by me prior to 1990.

Subsequent to this, I have travelled far and knocked on many doors with not only this message, but by the means of thousands of epistles written to individuals and groups over the last seventeen years. This brings us up to date, the latter part of 2007.

Prior to this time I had also written two books "The Visions of The Last Prophet," containing a few of the many visions seen by me during this life span, and "The Last Prophecy," that has now been incorporated within this book.

From my forays into the modern world of "religious beliefs" of the many, different 'Orders,' it is apparent that all revere their past leaders and 'bow' to the rules and rituals of the institution, rather than by simply going their way with God as 'head of house' and conforming to the code of conduct command from our loving God being: "Love one another."

Also, it is apparent that all religious elders believe and teach falsely that IT, the "act" of killing another either in self defence or killing one who is evil, is within the 'defensive or punitive' parameters of their religion, and thus acceptable to their Creator, in that they can avoid the Law of retribution and still reach the Promised Land. (Heaven)

This greatest perpetrated lie is the one to most likely result in your soul falling into the depths as you retaliate when confronted.

I have found that my projection of being God's earthly messenger to have been received with scorn and ridicule by many professing to be Christians, and many others.

However, it is through their utter disbelief and non-understanding of the truth, and in their very denial of me that God's angels have responded with some of the communications in this book and other "Epistles," and have thus been able to shine their light of understanding onto the devious cunning ways of the "Dark One," thus exposing how humanity is so easily deceived and all are erring.

Of the utmost importance is the act of "doing" the meditation prayer thrice daily.

All humanity must come to the deep and bitter realisation of, and acquiescence to, the requirement of God to "Go as a lamb to the slaughter" during any form of confrontation before attaining salvation.

All humanity has been deceived, and my exposure of the ways of man as I "Judge" their misdeeds is as God's voice on earth.

Remember, our enemy is powerful and cunning and that the armour of God's "Wisdom and Truth" is needed as never before. To pass your test you need to heed my message in full.

I am sure that you will soon see the difference between a person who "belongs" to a man made religion, and one who is TRUE TO the Light of GOD of any race, and thus a TRUE follower of Jesus by virtue of their heeding the WORD OF GOD which Jesus and others brought to earth.

I reach out and touch your face, and your heart with mine, saying: "Read deep and heed, I love you." It is truly the time for you the reader to forgive and forget the past and look ahead.

No more recriminations about the actions of others towards you and yours. Sit quietly and make your own personal decision to look now direct to God within and abide in God's good counsel of "love one another."

Please now serve God not man. The spiritual reward is a "Joy" of such depth that it is indescribable. I am sure that the following communications from God will fortify your conscious minds with more wisdom.

All the pages in this book contain wisdom and understanding imparted to me by God, and God's loving angels by the Grace of God.

These pages contain understanding and the necessary information that is needed by all to fortify themselves against the escalating onslaught from "below," being another level of lower consciousness.

We are "reached" either from within our own minds, or through the hands of others in the flesh who have succumbed to demonic thoughts.

The following pages give us an understanding in some areas that have been forgotten for some ages, and could not be revealed again until this time of literacy and fast communication on this earth.

Please send any donations to this cause to your nearest community welfare group, in the form of copies of this message, dried dehydrated tinned, or fresh food, medical supplies and blankets etc. They may also need many willing extra hands. To them and their helpers, this message from the Most High:

*"Bend your backs as never before, you are the only ones who know for sure what is needed by Christ of thee, and I send my love now to thee."*

**THE LORD IS THY SHEPHERD THY SHALL NOT WANT.**

The Welfare groups shall be my link to all the needy on the brink, to assist in every way in feeding the poor and helping them to pray. All of you, who are true, let God's love and compassion flow through you.

**God is With You.**

Behold, I stand at the gate and knock. If any man shall hear my voice, and will open to me the door, I will come in to him, and will sup with him, and he with me.

~ To all Religious leaders ~

(Who control groups of God's children under this sun).

Many have suffered and much has been done, and many a weeping soul now seeks the Son, and all but all seek the love of God through the **guidance of men\*** on this sod.

So I now speak for GOD as I the dove on earth do plod, for I speak for the LIGHT and the DARK, for the dark side will now make its mark against any who it use, against any who others abuse, against any who me deny and thus make God's children cry.

For I am the truth and the way, my voice will be heard forever and a day and any who fail to my message pass on will by the dark side of God be made undone.

For 'tis this side that is the power, it is this side with eyes that red glower, it is this side that will now have its say against ALL who heed not God's word to day.

And I AM THE WORD. I speak once more in case you have not heard, and 'tis the dark side that does DEMAND that the **message** from the light **IS** the **COMMAND**.

Soon all to feel the Power, soon all to see eyes that red glower. Soon all who have, and will deny me, shall be consumed by fire for eternity. Not the fire of the flame, but pain, eternal coldness and no name, for into the wastelands frozen below will ALL NON-BELIEVERS soon now go.

And I for all eternity have told all to LOVING BE, and now the SOURCE, the ESSENCE OF GOD, will seek its OWN here on the sod. So all who fail to me heed I say will be made to bleed, so to you who would me deny I call out to with this LAST FINAL CRY:

Pass my message on; this is the ONLY WAY YOUR FREEDOM WON. I do not care who you say you are, you are of NO NAME if you follow not God's star.

Forget not - the Essence speaks.

~ Letter to Ministers of Religion ~

Yes you ministers of the "smock," too many of you God mock,\* saying: "To share love is untrue, celibacy is what God asks of you," and 'tis thus that you God's call deny, and God's children you mentally try as you say "Sinful is sex."

Thus on all souls you put a hex,\* and through this manipulation comes "doubt." So many their love do flout in devious dark ways, fearful of being seen in loving forays. Openly must we outreach and our loving and sharing our children teach by saying "It's good to others touch, this is how we share our love as such."

So to ministers I say, "Heed my pen that does sway, for IF God's children we MENTALLY DECEIVE, then dark forces will make us grieve."

For it IS WORSE I do say, destroying another in a spiritual way. It is better to knife and take a life than to deceive another who is GOD'S WIFE, meaning, ALL BY GOD ARE CHOSEN.

ALL are God's beloved children and ANY who them wrongfully deceive will by GOD be made to grieve.

So look now to your SAY, look to WHAT you do say as you daily connive as you against other religions do strive. NOW is the time to be true, I THE ONE say to you, for ONLY ministers who compassionate BE will be elevated by ME.

Alongside you are angels TALL,\* alongside you angels of the fall,\* and as along the PRECIPICE YOU TREAD await BOTH to see your BREAD,\* your food, your song, whether RIGHT or whether WRONG, and as the tree felled does fall, one side elevates, the other does MAUL, for as you "Pass OVER" out of the flesh, your soul as all does with one side enmesh.

Will you fall to the demonic side  
or be elevated by LOVE and in heaven abide ?

"Your CHOICE" I say to EACH OF YOU.

"As yet very few are true"

Are the words that flow now down\*  
and reach up\* from those that will you drown.\*

~ Letter to All Embassies ~

As appointed representatives of God's children, I write now through you to them, asking that my message you pass on to your countrymen so their journey will be won.

Their spiritual journey, for now you do see that the whole planet forgets its spirituality, its closeness and belief in God as every man raises his arm against the other bod, and I would warn ALL of HOW, WHY and WHEN, with the help of GOD, who speaks through this pen.

And, all His children must HEAR so that BELIEVERS can REMEMBER GOD and draw near, near to the Star, the guiding light, shining forth now with INVINCIBLE MIGHT.

ALL who see it and me believe will avoid the snare of the satanic weave, being mental subjugation from below which makes a man evil and allows destruction to flow.

Those that heed not will wield a mace, and as they die will be taken to a very cold place by my men who follow me, inspired by the truth of my divinity. For my soul that invincible be, is also invisible to the earthly race that be facing now their last earthly test for more than a millennium.

To see who is blessed with the Wisdom of the word.  
Who heed God, saying: "WIELD NOT THE SWORD."

The separation has begun, the final race now for every one. Those who believe not simple me will for an eternity confined be in a low dark spiritual place, where EVERY ONE wields a mace, and they'll be hounded as before THEY hounded others on this earthly shore.

*And pain they will feel, and pure terror will within unreel forever, with NO let up, truly of the Devil's den will they sup, and they will grieve, and they will believe MY voice that did speak when on earth THEY did evil wreak.*

But, by then it is too late to feel warmth and to heaven make. 'Tis why for you and you, I send this my Last message through. Two times in the past did I write to break the fast, and of seventy-seven of you, did only three write back true.

~ Sex "Solo" & "Sex Sacred" ~

Eons of time ago the satanic force placed a "hex" on sex, this I know. The hex being that it was not "proper" to love unless "sanctified by men" who said they were empowered from above.

These same men also wore "frocks" and also falsely believed that for them sex was "improper" as it in some way deprived them of "hearing" God's say. Little by little the dark force via the minds of these men did gain **control** over all "lovers" who on earth did stroll.

They also "said" that if a "union" by them was not sanctified then it was a "sin." So this very "marriage by men" act that was backed by a demand for "sex with one only" as a "solo" partner caused much harm and guilt, for "mankind" can see that others also "attractive" be.

My **sacred** pen does say that once all darkness is swept away then none will see any "wrong" and all minds and beliefs will be strong. Thus all will be free to entwine with one or more or many.

Yes, even if one does take a "mate" they can and will at times enjoy playing tennis with another, or in the evening with them dance and dine or even with them sexually entwine. None will see this as wrong as all will heed God's call of "**Respect all as you walk along.**"

So it is at this time that "sex" the act thereof will be **sacred**. For all who entwine will so do with their **love** divine outpouring all the time. Thus the union will be blest by God for as said and seen by me, our God above is pure love.

So any of you who would be happy then **control** none, and you will see that none would seek to **control** thee. All soon will be free to laugh and dance and sing fearlessly, and "as" one does a "special" angel meet then no doubt they will be delighted to "sweep them off their feet."

When two 'lovers' meet (with or without any marriage 'ownership' pact), their **love** shines, and this lovingness with its **positive desire** suppresses the '**power of inner sin,**' being the dark emotions within.

Once the 'honeymoon' is over then via the dark emotions the darkness critically imposes its **demands** upon the '**bed of roses**' and some 'fault' is found with the others way that results in demands, vindictiveness or other controlling power play. Try and be 'loving' in all you do. Criticise none and thus to self be true.

~ Assault by Rape ~

Rape is the 'abuse of' and 'enslavement of' another being, be it a spiritual "sister" or "brother." It is an "imposition" by the "will" of one over another as their emotions "overflow."

Thus in a "moment" they justify the "improper" use of another and in some way make them "cry." They also cause fear and pain and always "something" take and this "something" freely gain.

The "taker" does not see the fullness or "depth" of their impropriety for they somehow "believe" that they are entitled to make the other grieve. Despondency and despair are also the "ware" suffered by the one whom the "offender" did snare.

What none do see is that all "offenders" are callous "ignorant persons" who needs be educated by me the spirit of eternity. For they have "taken on" the role of the "avenger," the reaper as on earth they stroll.

The "assault" can be in many a "way." Be it sexual, or a "bashing" or but stealing another's pay. All impose suffering and all carry the same "sting." All are an imposition by a "brute" force that is self-empowered to any past offender "rape."

Yes, any assault upon any in any way is but the "due" being thrust upon a person whom in their past was callous and offensive and controlling in some way.

"I am innocent" all do cry, and  
"I have hurt no-one" is their "call" as they suffer or even die.

How can I get "through" to you and you and "bless you" so that you are forgiving and merciful and kind on your "way." For you see not that your spirit soul has lived for an eternity and a day before it entered the flesh of this world, and all on earth have "punished & assaulted" others before.

So it is time for all to see that the pervading iniquity will go on and on until you all "listen" to this one. For all whom do taxes pay are responsible for the actions of their "servants" they pay.

This "means" that armed forces "men" and others who "rape & pillage & destroy" are in your 'employ,' and as such whatever they do in their "spree" comes back in many a "way" to thee and thee.

I can also you "assure" that none "get-away" for being less than "demure." For the Dark "energy" that abusers use knows "who" did IT "diffuse" and IT has a memory a "zillion" years long and retribution is IT'S "song." Can you understand me?

So all "society" that does any "offender" incarcerate on your behalf does "attest" that in God's "face" IT does laugh as IT "rapes" you and you because you deserve it for "permitting" this darkness to flow through.

It is the time to all teach "how" dark thoughts do minds "breach" and the ignorant people use. Only this way will you individually be set free from suffering as you heed me.

On reaching the end of this document go to my 'Book 4 of 9' on line or CD 'Suicide' document,' and as you its "contents" absorb will your minds of ignorance be set free. Do not "complain" if you are "raped" or assaulted in any way. It is "just" dues for your own folly on a past day. Yes, be you a female or male aged but 3 or 33 or 93, your spirit within the flesh is an "adult" soul incarnated for me to set you free.

What all must try and see is that all who support any "punitive" system incur a "further" karmic "pain" debt. Thus does "man" and wo-man "wombed" man more and more "fret." All punitive control of "errants" is "offensive" in God's eyes carried out by ignorants unwise and is also the cause of you accruing more dark spiritual debt.

Be you a 'hu-man' thus "humble" and inspired by the light above or 'in-human' and mentally "driven" from the subterranean world below, you all need to know that all are subjects of God and thus subject to God's ONE Law - *As you do is done unto you* - God does not "permit" innocents to be *ab-used*. (*Abominably*)

And thus it 'follows' that when you 'cry' out: "I am a victim of assault or assault by rape" you are actually telling the world: "Look at my folly for what you see is the "trauma" I did impose upon others during my past when I was vain and thus full of insanity." Wake up from your 'dreams' now and "follow me."

## ~ Safe sex ~

Safe sex is not the "time" when an "act" is performed with a contraceptive "device" in order to prohibit fertilisation. It is carried out knowing what "life" is about and ensuring that you are clean and thus you do not transmit disease.

Both partners must "see" that they have a responsibility to themselves and the other. For if they are "unclean" and transmit "germs" then they accrue a karmic debt as well as having to "live with" the consequences of making their partner "fret."

Please try and ensure that you "carry" no "spoor," being the "tracks" that lead to contamination of any other, for all whom do not do on "another" day become exposed to "bother." (Karma)

Children must be taught to "wash" with clean water before to "bed" they go and when they awaken, and as they get "older" the reasons for this they will get to know. It's all a matter of "frame of mind" being that "open talk" on "sexuality" is kind and natural too between children and parents true.

Safe sex is also when no "devices" or drugs are used in any way to protect or inhibit any fertility day, for all the above can "lead" to illness or trauma on another day.

If you wish to not "conceive" at any particular time then the woman has the right to decline intercourse during the "days" when she knows that love divine will bless the man's seed with her "egg" and the result is that a spirit soul with this "act" will entwine.

It is "better" to revert to the totally natural way in which sex is fully "uninhibited" by any "devices" in any way. For any contraceptive "pill" does have an "ill" affect and thus itself "inhibits" the well being of women.

As for the HIV disease of the "present" day I can but say that any whom it "acquire" will not be spiritually elevated "higher" if they "openly" pass it on, and any whom it "receive" did it earn for when in their past they did make others grieve.

This disease will "die-out" once the "reaper" has withdrawn and this realm becomes one of sanity and respect and LIGHT.

Contraceptive devices and drugs became "in vogue" through ignorance, and also due to disrespectful man thrusting himself upon women due to his uncontrolled lust.

Once all ignorance and darkness is swept away man will become respectful, and both women and men will be "cleaner" sexually and disease will be a thing of the past with no drugs or contra-disease or contraceptive devices used, and God's "enlightened & only loving" children will entwine sexually happily and naturally.

It's now the time for becoming personally informed on all issues of personal hygiene, personal responsibility for ones actions, and going back to a correct "all-round" balanced diet so that one becomes immune to needing the "fads" of the day.

~ True forgiveness ~

When we forgive those who "**trespass against us**" then we 'acknowledge to God' that to ourselves we are true as we 'permit' no retribution to flow through us onto the other 'errant' sister or brother. Thus we **clear** a past spiritual debt of '**pain**' that we did '**gain**' in our past when we '**erred**' in some way.

When 'another' forgives us for trespassing against them it does not imply that we will avoid the 'judgement' of God's Law (**As you sow so shall ye reap**).

It means that in their forgiveness of us that they are being true to themselves as they forgive us for our ignorance of God's commandment to "**Only be loving and walk in peace**."

When 'any' person forgives it means that they know the reality of God and have the capacity to control any revengeful emotions within them or retributive thoughts that would try and 'induce' them into seeking recompense in some way.

When any person is "**forgiven**" for '**trespassing against another**' they must understand that at/on another day some 'other' **ignorant** will punish them similarly or in some way.

Thus we needs see that non-retaliation in the face of adversity is the 'key' to clearing our past debts and the **true** road to **Salvation**.

~ TO ALL RELIGIOUS BODIES ~

**The Hirelings\*** are those saying "**We are the church**," but 'tis they who their souls besmirch. THE CHURCH is not buildings or ministerial men, 'tis GOD'S children heeding the message from this pen, by ABIDING by the WORD, those that it heard.

So the FLOCK are those of GENTLE NATURE who spiritually stand tall of stature. Going forth day by day, FREELY helping their brothers day by day, by showing compassion and forgiveness too, and not allowing any inner negativity to show through.

THE HIRELINGS have had their say. The hirelings have had their day, for as funds begin to slow, their true nature they will show, for the TITHES did they misuse, and in land and buildings did they **lose\*** the GIFTS of the worldly poor, given to God to help the needy for sure.

And God's children STILL quietly weep, for they are HUNGRY and have nowhere to sleep, and the huge mansions and monasteries too, should have been used for God's love to flow through, THROUGH FROM HEAVEN to THE NEEDY, NOT to fill the coffers of the greedy.

So by **RITUAL** all have been **deceived**, as dark thoughts their **spells** quietly weaved. So to all God's TRUE ministerial men who see the LIGHT flowing from this pen.

**"RELEASE yourselves from bondage"** I say, "**Turn the past tithes into food and help, my way, which IS, feed the poor and bless them too, allow TRUE compassion to flow through. SELL ALL your worldly goods NOW.**"

TRY and believe my truth somehow, for all but ALL will everyone now lose as mankind becomes more evil and abused, so prepare for this time and join ME in heaven with God's love divine.

Every earthly religious minister is also of my flock, so I say now, please "unfrock" and join the rest of the fold, see the truth and be BOLD for by your DRESS you tried to show that God's blessing did more on you grow, and: "You ARE THE LOWEST" I hear from above, that is if you heed not the cry of the dove.

Some of you are true but I call out to all of you, become SIMPLE, become free, own but a mattress and follow ME. If you must gather to have a say\* then even under the stars will God be your way.

USE the buildings for what they were meant, to house the needy that are daily sent, sent away to walk the cold dark street whilst "God's children" sleep under blanket and sheet.

"Why," I ask is mankind so blind. Why not TRY to become more kind. "Oh children please, please try." IS the message now sent from up high. I bless you. I am HERE to say again, DRAW THE NEEDY NEAR.

EVERY earthly "Church" organisation is a living lie that heeds not this message from the MOST HIGH, so to the FLOCK do I now speak, verily the TRUE SHEPHERD, to all his sheep.

HEARKEN to what I say to you,  
HEARKEN for my truth is true.  
HEARKEN to the wisdom flowing from this pen,  
HEARKEN for 'tis guided by God's highest men,

Angels of light compassionate and true,  
Angels of light who reach out to you.  
Angels of light that I hear 'cry.'  
Angels of light saying "Please, please try."

Now the Last Dance does begin, minds will whirl and minds will spin. Cunning and deviousness will unwind and many a soul will be unkind. Now is the time to say goodbye, for friends will part as they do die.

Some will FALL and some will FLY, that is why, that is why.

So now, what do we do for eternity? Will we say goodbye to many as we and they depart? So heed God's call and have a fresh start, for it IS too late as you do FALL, dragged down feeling terror by forces "tall."

If only you KNEW and reality could SEE, then for sure you would heed me and CONTAIN the feelings rising within, not allow your mouth or mind to sin. You must try and heed the word of God as blind you do on this level plod.

BEING merciful and compassionate every day, BEING forgiving as you walk your way, for only this way do I see will you join heavenly friends forever FREE.

Time is now short we must change tack\* before the masts boom\* does our face smack, for soon the wind will veer and all will feel its icy sheer, and to our minds must we look, reference page 263 of God's holy book, for the Last Prophecy a TESTAMENT OF TRUTH be, for your children's children a LEGACY.

Please seek deep I ask,  
for soon, for those "OF GOD" a mighty task  
and we must not wait too long,  
for hidden currents now flow more strong.

There are many MEN and WOMEN of the light who themselves are in a plight, for what it is I do see is that they are bound by society, so they now must shed this dross\* like a stone being cleansed of moss as along the river bed it does roll, helped by Wisdom as it does stroll.

I reach out to all souls true, my sisters and brothers like you. Yes most of you, who this read, are from heaven, my seed.

~ ATONEMENT ~

Little by little I do see that many more now believe me. For the story that I now do tell, released the rats from out of hell, for, 'tis they who needs teach us of Peace, for only when we "bleed" do we find release from the past, when we did others burn, and in paying our Karma, we our freedom earn.

And, our Atonement ONLY BE when as a LAMB, our blood runs free, so retaliate not if any 'burn' you, for if you retaliate, you God's WORD SPURN.

~ Reject not the Reaper ~

People are afraid to let God in. You must let God in to win, into your life, yes, even the God of strife. If you try to it avoid, you fall into the void.

So welcome in the 'grim reap,' even if it makes you weep. IF you the Reaper deny, the reaper makes you MORE cry. So prepare now to allow ALL IN your door and thus quicker WIN. Remember GOD. GOD IS ALL in heaven and below the sod. God says "TRY" to all, from up high.

Take down all fences around your home, allow God's children to freely roam. IF you lock them OUT they cannot learn what life is about.

Falter not when you see me. I am but a simple messenger that be, the one sent by our Father above, so for the last time HE imparts true wisdom with love.

For, the END I now UNFOLD and of its coming you have been told. Stay calm in all you do, show GOD, not me, that you are true. I cannot make anyone anything do, from their OWN inner divinity must reality shine through.

So I can ONLY God's truth SHOW via my gift I DEED, as my pen does flow, for I AM love divine, through ME does God shine His light and Her truth for I AM THE ONE, God's proof.

When I say as a lamb you must be, it implies the totality of this reality for IF you your fangs BARE when aggressive forces draw to you near, IT SHOWS GOD that the WOLF is yet you IN, and that you heed NOT the word, so you don't win.

The wolf reaches UP into your mind from within, and its power does unwind. So you can BECOME a destroyer too if you don't believe what I say to you.

"CONTROL your feelings when you die, and go as a lamb," I hear from up high. Those that retaliate have a mental breach and demonic forces do their minds reach. Can you not see what I do say or must I again SHOW THE WAY. "It is by DEED" I say to you, that God KNOWS who is who.

Take a deep breath and say, "I WILL TRY to heed God's wisdom from the sky," SEEK the star high above, feel its power, its endless love, for this STAR is given by me to you, to guide all souls who TRY to BE TRUE.

This star will daily cleanse your mind and eke out those thoughts so unkind, so you can be daily nearer God as along the last mile of the journey you plod.

Believe, believe, for I am true,  
believe, believe, for I love you,  
believe, believe, I do IMPLORE,  
believe; believe, only, only, only, Mother Father God ADORE.

~ Earthly Leaders ~

Who are the leaders we "appoint."? Who are the leaders we "anoint" with power that unlimited be, with power that doth destroy thee and me.? For these leaders lead us into HELL, these leaders ring their own bell. These leaders are full of greed, these leaders destruction breed.

Why do we appoint such authority, one of such arrogant impropriety? Why follow men who lead us astray from the WORD God speaks every day?

The Word that says: "We must compassionate be."

The Word that says: "Lay down your weapons and follow me."

The Word that says: "Love one another."

The Word that says: "ALL are sister and brother."

So I say as along I plod, "I say now heed GOD. Follow not men who are untrue. Let God be the ONE to guide you and this guidance direct to you be. Can you I ask, this not see?"

Just ABIDE in what God does say each and every day. From now on heed me, only thus will you freed be. Follow not the society, the one of arrogant impropriety.

You now have the choice. You now must heed God's voice, and do what you must do to now to God be true. If you are a simple soul bearing "arms" as along you stroll, lay them down upon the ground, ONLY this way is your freedom found.

And you "leaders" who heed not this pen, seek deep and become Godly men, doing the right thing for "your" flock. Don't flout authority and thus them, and your souls mock.

~ WORLD LEADERS ~

I write to all world leaders today, for 'tis they leading humanity astray as they their own will impose, thus denying the "peoples" rose, their wish, as to what they would do, for all leaders I see are untrue.

They would all control, as arrogantly and vainly they stroll around their giant office "block," as all others around they do mock, saying :

"Now look at me, I am in a position of invincibility and I shall send you out to die if at any time I do espy that another would take my place, I shall destroy them, via you, with a mace."

So round and round we go and the insanity does daily grow, and the people become more tired of the devil they have sired.
