

~ The Alderman 'thief' pages ~  
The 'justification' and for the 'good' of the people

Every Alderman is but an 'elder' of the local 'tribe' living within an area designated as a zone, and having the given 'power' to 'frame' or 'rubber stamp' an IDEA placed before them.

If they are 'convinced' that the IDEA is **Justified** and thus **good** for the people within said 'district' they approve IT using their 'signature' and the IDEA then becomes embodied as TEXT and written as an 'act' within a **RULE** book.

This 'stamp of approval' Aldermanic signature is what gives those working as employees or officials of the local Council the **LEGITIMACY** to operate in the ideological code of conduct manner resulting from the **ACTIVITY** required by the 'Rule or Act' enshrined as text in the rule books of the Institution.

The original IDEA now having 'manifested' and become a material REALITY backed by physical **force** of arms is then **imposed** upon every person living in or passing through the designated boundaries. (Zone)

This 'power' is given and authorised by the 'rulings' of a higher authority which of ITSELF is governed by its OWN established set of Rules (code of conduct) namely The Constitution of Australia or the State Constitution of the land.

**So 'what' IS or 'who' IS the Alderman THIEF?**

It is any community 'Elder' appointed to BE the 'spokesman' for the community members who 'voted' for them to be their 'leader,' being a person who agrees or 'stamps' his approval upon an IDEA put forwards which will GOVERN the Code of Conduct of ALL living within or passing through said ZONE and, - - -

Being any 'idea' enshrined in a book of rules which enables the people to BE brought to 'grief' or **impoverished** or **punished** by **fine** or **eviction** or **incarceration** or **humiliated** in the public 'stocks.' (newspapers) For this PROVES that the 'maniacal' Alderman is a **LIAR** and a **THIEF** and a man of **WAR** who is **misleading** the community and **forcing** them to 'bow' to HIS '*conscience & ideology*' and THUS '*religious belief*' of **INTOLERANCE, CONTROL** and **SUBJUGATION.**'

Being a DARK ideology indeed which is in TOTAL contravention of the 'Christian principles' Commanded by 'She' the **Light, God** of: "**Peace & love & mercy & compassion**" etc., and ALSO in 'denial' of their 'sworn' **Oath of office** wherein they are 'bound' to a code of conduct. ([See NOTE - 1 below.](#))

**Note - 1 :**

**Oath of Office:** Aldermen take an Oath to amongst other articles :

Operate with honesty and integrity and conform with the letter of all laws and; in the best interests of the community and promote an environment in which the community feel able to participate without fear or prejudice.

Aldermen are considered 'public officers' pursuant to the Criminal Code Act which states: "**Any person who:**

- (a) - - - obtains any property or benefit for any other person or;
- (b) - - - in the discharge of the duties of his office - -

**IS GUILTY OF A CRIME"**

~~~

### **What is the 'Justification'?**

It is the belief that the invoked IDEA is needed and is not only for the 'good' of the majority, but that ITS implementation and its **punitive** 'factor' for non conformity is also justified.

For example: An 'idea' is made into a new regulation stipulating that if one fails to vote during the election of an 'Alderman' it is 'defiance' of the regulation, and is thus a 'sin' to be **punished** by 'fine.' (**Monetary extortion**) and, - -

It is an example of yet another IDEA or 'sign' that there is no FREEDOM OF CONSCIENCE OR BELIEF, and that the "Freedom of Religion" Act of the Constitution is now an invalid '*invalid*' and incapable of 'defending' ITSELF and **political ANARCHY rules** the land.

I and others **MUST** have the 'choice' to NOT vote as a **PRIMARY RIGHT**, and thus NOT be 'subjected' to any such RULE or punishment which to 'us' is in contravention of God's Command.

It follows that the establishing of such a 'rule' is NOT for the benefit of the community and the activity of 'establishing IT is **TREASON**, for IT and ITS 'proponents' are in contravention of the "Freedom of Religion" Act in more ways that one, for they are using the 'back up' of **FORCE** to **IMPOSE** their own dogma upon ALL community members.

People have not been TAUGHT to understand that IDEAS flow constantly into the minds of everyone from both ENDS of the energy 'spectrum' of God.

The LIGHT with ITS benign creative thoughts.

&

The DARK with ITS deceptive malignant controlling and punitive thoughts.

The Light seeks to GIVE lovingly, mercifully and compassionately.

The Dark seeks to TAKE and impoverish, dominate and destroy, and cloaks ITS intentions in an 'attitude' of 'good and commonsense' JUSTIFICATION to use ITS force and power to control and subjugate, but IT does not 'permit' the USER to 'hear' ITS silent words only 'heard' by ME which say:

"You arrogant, ignorant, non believing 'rascals' see NOT that as I 'plot & scheme' and your minds REAM with MY tempting thoughts which keep you revolving in a 'day dream' of justifiable interference, control, subjugation and endless revenue raising extortion that AHEAD will come back to terrorise YOU, as I subject you to MY justified retributive LAW:

*As you did sow for ME the invisible Dark essence you cannot see so shall YE reap and WEEP for 'thinking' that you are AS powerful as I AM and, you are so ignorant that you fail to realise that for every action there is an equal and opposite reaction for YOU, not I, for only I stand ABOVE THE LAW of MY destructive energy."*

ALL legislators and their supporters as well as ALL enforcers and collectors of fines or other debts ARE IN GRAVE DANGER and need to now READ my TEXTS and come to their OWN personally informed decision as to whether to treat IT with derision or:

### ABSOLUTE RESPECT

~~~

Do Alderman truly believe that employing people to persecute others 'legally or otherwise' and CAUSE disruption in their life and loss, deprivation, eviction and possible INJURY as GOOD and in the best interests of the community?

Aldermen need to comprehend that legalizing the MPES as their 'chosen' fines collection agency is a contravention of (a) above and is for the benefit of the government purse, and, - -

Is also contravening the above in subjecting 'citizens' of the land to the 'Sanctions' imposed by THAT horrendous 'piratical' group of NON believers in God and His Command. (MPES - monetary fines enforcement)

Being persons **BOUND** by rules who may stop at NOTHING and **seize** and **steal** 'legally' OR illegally and is **GROSS ERROR** leading ALL into **loss** and **terror** and more, including themselves.

Refer to their code of conduct, no doubt 'legalized' by some other authority:

### **Sanctions & charges for imposing them.**

Suspend your driver licence or eligibility to hold a driver licence - \$39  
Suspend registration of vehicles registered to you - \$39

Publish your name, address, driver licence number, and details of your penalty on the MPES web site - \$39

Issue an enforcement warrant to:

- Impose a charge on any land you have an interest in - \$130
- Seize and sell your property - \$130
- Redirect money that belongs to you. This may be to your employer, a financial institution or other entity holding money on your behalf - \$130

These sanctions can be used in any order and any number can be applied at the same time. If property is seized and sold, you will be liable for any expenses incurred during this process. Payment in full at anytime will halt enforcement action.

If your driver licence or vehicle registration has been suspended, MPES may, if you have not previously defaulted on a repayment plan, cancel the suspension if satisfied that you are paying and are likely to continue to pay in accordance with agreed terms. MPES will advise you in writing if this occurs. Any other enforcement sanction will not be cancelled until payment in full is made.

The penalties add up quickly (as shown below)

Infringement notice	\$130 (original value must be paid within 28 days)	
Enforcement fees	+ enforcement order (After 28 days)	\$65
	+ driver licence suspension	\$39
	+ vehicle registration suspension	\$39
	+ publish the amount you owe on the MPES website	\$39
	+ enforcement warrant fee to seize and sell your property	\$130
<b>TOTAL =</b>		<b>\$442</b>

The above fails to add the losses accrued in any 'auction' item sold or, - - - mental and emotional trauma suffered by the individual. Is this activity the benign activity of '**good**' men with '**goodwill**' at heart or that of **THIEVES** having **SEIZED CONTROL** of society backed by unconscionable men bearing arms?

**So where do we STAND today?**

We stand at the CRUX of the CROSS where some will RISE and multitudes will FALL because ALL have become 'used to' the use of FORCE to enslave others for \$\$\$ and power and control and vicious unforgiving vindictiveness, - - -

The dictatorial magistrates ignored their DUTY to the CROWN and 'permitted' rule after rule after rule to become their 'laws' (code of conduct policy) as they judged community members MERCILESSLY and these arrogant magistrates totally IGNORED the Constitution and Powers granted by IT to THEM and, - - -

The FALSE 'Aldermen' stamped his 'approval' on ACTIVITIES which impoverish the electors and others and, - - - if they did not 'bow' to every 'wish & whim' and taxing decree they were coerced, threatened, hounded, interfered with, persecuted, fined, evicted and JAILED and, - - -

All this ABOMINATION goes on and on and ON every day IN THE FACE OF GOD and man and thus it is I to SAY:

"IF you are 'one' empowered by 'rules' to RULE others and subject THEM to ANY licensing or other monetary extortion then YOU are ONE to BE 'mutilated' by VERY DARK invisible FORCES who operate telepathically and 'clandestinely' THROUGH the MIND of MAN from Dark spirit realms BELOW as they DID via the mind of Martin Bryant and, - - -

This FACT I let you KNOW because IF you continue ON enabling the enforcement of GRIEF upon OTHERS then your own coming GRIEF will go on and on and ON FOREVER below.

It is THE TIME to ABOLISH 'Rule of others using legislation' which is IN CONTRAVENTION OF God's 'merciful, loving, compassionate and forgive others' Holy Word POLICY and ideological doctrine. (Religion of PEACE.)

As this document was invoked due to a parking meter 'FINE,' it is hereby recorded that:

"A parking meter hourly monetary demand is in fact a 'quarterly or hourly' FINE imposed upon the community member user for being 'found' GUILTY of parking on a 'spot' owned by the POLICYMAKERS who VIA legislation enabled by an 'Alderman' *seized control* of said spaces for a pecuniary interest."

Aldermen need to comprehend that in EMPLOYING the 'services' of **STRONG ARM enforcers** having 'limitless' **Power** at their disposal is in FACT 'aiding and abetting' THEM to **STEAL** money and goods and **impoverish, dispossess, punish** and **DISADVANTAGE** and to **THREATEN & COERCE** members of the community. This activity is NOT a 'benefit' for the community.

For in the 'case' of parking meters, all it DOES is to keep community members 'bound' to paying the hourly 'rate' **fine** on THE **STOLEN** parking space property.

I say:

"Give the 'space' back TO THE PEOPLE so they can park on God's freeway at NO minute by minute cost."

At present, the Council staff (approved' by Aldermen) are employing an organisation PROVEN by its activities to be waging open **WARFARE** against the community, and Council staff are thus employing '**mercenary terrorists**' in RETURN for monetary 'favors.'

Regrettably, the Council staff and MPES operatives believe as did the 'pirates of old' that their activities are **LEGAL** whereas the 'signatory' authorising their warring ways was but another **DELUDED** and very unwise mortal.

Aldermen and everyone else need to understand that the cunning of the **Dark energy essence** of the **Source** is infinite, and in fact **controls** all taking place OUTSIDE the **pure Light of Heaven** so as to keep the 'lost sheep' on the wrong 'tack' and ON the wide road to HELL.

Aldermen also need to understand that it is a **CRIMINAL offense** in the eyes of God and their own rules to carry out ANY activity which '**harms**' others in any way and/or which is in contravention of God's sacred Command:

*"Love one another."*

Our God is now to separate the '**Just**' from the '**Wicked**' FOREVER.

As the world descends into **CHAOS** for a time.

You ARE now duly **WARNED** by **God** via my pen, HIS.

Please try and comprehend that every mortal has but a 'brief' moment of TIME in which to PROVE to God that they ARE now going to BE '**peaceful & loving**' OR continuing to BE **arrogant** 'swine' enjoying the USE of God's (forbidden to use) Dark forceful Power to '**subjugate, control and punish**' others.

I can categorically state here and now that ANYONE continuing to defy God, WILL 'fight on' forever and 'suffer on' forever below.

It is going to BE - Oh so **difficult**  
It is going to BE - Oh so **destructive**  
It is going to BE - Oh so **terrifying**  
It is going to BE - Oh so **cruel, merciless and unforgiving.**

Why? Because people will NOT be able to control their THOUGHTS and they will be telepathically **subjugated** and driven to mete out 'Justice' for the Dark Sovereign Power FOREVER, starting here in this realm and continuing on and ON and, - - -

All are now advised by me that the heinous deeds they perpetrate will come back upon their own 'heads' and great indeed is the eternal **anguish** and **travail**.

There is so little time to prepare the minds of the PEOPLE of this and every land.

Terence
