

~ Open Letter to Sea Shepherd Director ~

Mr. Bob Brown

Dear Sir,

Ref : Harassment & endangering of lives on the high seas

There are many mortal men of the day who believe that they have the 'RIGHT OF WAY' on the land or o'er the sea and there is 'something' which they now need to SEE.

It is our **God** not man who owns 'all' including the 'sea space' which by man of power and wealth has usurped by *stealth*, as 'he' mortal kings, queens, presidents *decreed* that they and their 'flag' delineated 'which' was theirs and thus they could rule **FORCEFULLY**.

Then there are others who 'come' in the name of '*green*' PEACE, but in fact they are no less than 'piratical' *warmongers* who do *interfere* in the lives of others and *endanger* their ships at sea as well as their crew.

There have always been arrogant men living outside the pure realm of **Heaven**, and it is regrettable that they are all blind, *immoral, unconscionable, unkind, merciless* etc., and I write this to ONE of them YOU, because, your 'followers' and supporters '*believe in you and your actions*' and, - - -

It is I the returned 'most high' authority to warn them and you that your interaction with the Japanese 'whalers' is all out **WAR** and in total contravention of the precepts of **God's Holy 'Peace & love' Command** and, - - -

I can but advise you and your supporters that there is a singular **LAW of God** which is '*immutable & inviolable*' and very 'simple,' so that even the 'blind' as you should be 'able' enough to comprehend IT, being:

*"As you do unto others is by others to be done unto you"
"As you sow so shall ye reap"*

Absolute Justice

But, regrettably mortal man is also *ignorant* of another 'fact of life' which I now return to **reveal** unto you and all being:

That when one is operating outside of the precepts of God's Command and using **confrontation, interference, harassment, ramming, or any invasive or punitive measure**, one is in FACT drawing IN the negative *dark energy essence* of THE SOURCE into their soul as IT flows through them as they express IT upon others and IT contaminates their own soul.

Any 'director' of an ocean going vessel needs to understand that it is a very dangerous 'act' indeed to place their own 'ship' and crew within the 'quadrant' which is directly in the path of an oncoming cyclone, and all I wish you and all other 'fighters' or **interfering trespassers** to know is:

There is an unbelievably HUGE *spiritual* cyclone of *utter hatred, liquid evil* and **absolute destruction** now 'appearing' over the horizon of every land on earth. It is invisible to man but not to me for I am the ONE who can all see.

It is the fulfillment of all past prophecies within which it is stated that the **WRATH of God** is to unfold on earth and ANYONE 'marked' by dark inner *energy* (Sin) within their soul as ONE who has defied God and used His 'forbidden to use' Dark destructive energy and will **PAY THEIR DUES** in FULL.

Your 'vessel' is NOT a '*Sea Shepherd*,' it is a fully 'armed' **warship** because its CREW are prepared to confront, board, fight and to even sink their ENEMY.

The crew of your ships are going to sea with the INTENT to **endanger** and **impoverish** sailors and fishermen on other ships who are 'simple' seamen doing their best to feed and support their families.

You are not 'waging war' on the Japanese whaling fleet, - - - you are waging open **warfare** against the Japanese PEOPLE who work in the fishing industry.

Son, the Japanese 'Samurai' sword is what it IS, unsurpassable by any other but, - - - the 'Sword of Allah' or 'God's' is the swiftest, sharpest and most agonising and as said:

"All who place themselves within the **PUNITIVE** aspect of **His Law** never - ever will 'forget' WHO they are dealing with. He our God holds ALL THE CARDS and He is INVINCIBLE."

So 'brother' Bob, you were not satisfied in being a Senator and have now become a 'Sea LORD,' - - - but for how long I ask? Are you not aware that every sea 'dog' has their 'day'?

Where I ask is the *courtesy* and *respect* for your fellow man, being the Japanese sailors risking their lives on the high seas of GOD?

As I see it Mr. Brown, your conduct is very **DISHONOURABLE** and you are a man riding 'high' on the crest of a wave which is about to 'break' and CRASH. How so?

Because you see NOT that the Japanese are a very '*honourable*' race, and as you 'taunt' them you are **INCITING CIVIL UNREST** on an international level and you are also forcing them to 'grit' their teeth and 'swallow' their pride because you appear to be invincible.

Have you heard of the Damoclean 'Sword'? It hangs over your head and soon it is to 'fall,' for the horsehair thread holding it is about to be 'cut' by God and all will see the result of your PRIDE & VANITY.

If you or any man on earth has any 'gripe' with any other then be a man and go directly to their 'door' or by 'letter' and discuss it openly with them.

If they do not 'agree' (as is their right) so BE it. Leave them to their God and go your way *peacefully*. IF you decide to 'wield' the Sword of Allah or God or Japan or of your own '*brand,*' then you WILL get exactly what you DESERVE for being UNFAITHFUL to our LORD God's Command.

You need to SEE 'brother' that: ANY *disrespect* shown to ANY of God's children of ANY colour or 'race' is *disrespect* shown to their CREATOR - - - your Creator.

What do I suggest? There is only ONE **TRUE & PEACEFUL** way forwards for you the man IF you wish to survive **SPIRITUALLY**:

1 - An immediate and personal apology in writing to the crew and owners of the Japanese whaling fleet commander placed in his hands personally by YOU.

2 - Sell your 'satanic' ships and use ALL available funds and donations to your now past 'cause' as a payment of **RESTITUTION** to the whaling fleet owners and sailors and their families.

Any less than this and you DO FALL, say I, for you do hold your **CREATOR** in UTTER *contempt*.

He states: "*Go your way in peace & love one another & be merciful*"

I can but state: "*Turn your ship homeward bound and sink IT before IT 'sinks' you and all its crew and financial supporters and, from now ON leave the fishing INDUSTRY to the FISHERMEN.*"

Yes 'brother' any person found by God to BE **harassing** ANY other is to BE swept away in a tide of ETERNAL **blood, fire, and AGONY**.

Education is the ONLY 'safe' and TRUE way forward.

I ADD: As 'second' thoughts enter my mind from the LIGHT of God I place them here for you and every reader to 'consider' and reflect upon, for all need to understand the implications, for their own journey's END is as yet **unsure** say I.

There is a very **DARK** and unseen **destructive energetic FORCE** which operates clandestinely through the soul and mind of man which has the power and capacity to turn man into unconscionable **BEASTS** and, into actions which ARE in contravention of God's COMMAND and, - - - is what leads man into defiance of God and INTO the 'pits' of **hells-fire**.

This force (dark energy of God) is what **JUSTIFIES** a 'reason' in the mind of man to go forth and **terrorise** 'someone' or 'many' and to **persecute** them (unto the ends of the earth) and to **CAUSE THEM HARM** and 'sorrow' and, - - -

In FACT it 'overpowers' the mind of the user to the extent that they now **BELIEVE** that they are doing **GOOD** as they '**harm and destroy**.' The 'possessive' thoughts are from **demons** in the underworld who do seize 'temporary' **control** over the minds of mortal men. (Spirit possession)

The END result of the **PUNISHMENT** of others is that within **THE LAW OF GOD** the SAME dark powerful **PAINFUL energetic force** returns upon the USER at a later date via others, and its RETURN IS UNSTOPPABLE for there is no 'power' known by man to **CONTROL** this ENERGY OF GOD which IS a Law unto ITSELF.

God's 'eye for an eye' – **ABSOLUTE JUSTICE**

The DARK energy of the Source NEVER FORGETS 'who' defies God and uses IT. To DEFY ones God is NEVER an option. To find out more of this REAL Life process afflicting all 'sinners' go to: 'sorrow.htm'
